Dear Parents and Carers,

What a day for a burst water main! Unfortunately, on arrival to school yesterday the road was flooded and the pavement a mess. Essex and Suffolk Water Board had to turn off the water affecting our school and many houses in the street. Due to Health and Safety laws, schools cannot open without running water. We know the children must have been very disappointed as were the staff, but happy they can dress up again today. Lime class assembly will now take place next Thursday at 9:15 (9th).

We apologise for the inconvenience; this has happened before, so it may be helpful if parents could write to the water board to explain the inconvenience caused.

Time Change—Monday Junior Rehearsal After School

On Monday 13th March the rehearsal time will be extended to 5:30 p.m.

For this and the other performances that week, all junior children need to wear a colourful plain t-shirt or vest, with dark bottoms, such as school trousers/shorts/leggings.

We have invited ex-pupils to be our audience and look forward to performing to them.

Exciting news! The School Council had been discussing for a while the Timberland equipment on our field and its deterioration. They had requested new equipment but knew it would be very expensive. So, Miss Miller placed a bid to the Big Lottery Fund for a new Trim Trail. To our delight the bid was successful and funding will be received soon. **THANK YOU BIG LOTTERY FUND!**

On Wednesday, the School Council met with Chris from Pentagon Play, who showed them several designs. The School Council voted on several options and Chris will be sending final designs through soon. The picture below shows the type of equipment we will receive.

The Trim Trail tests children with a more advanced variety of physical developmental challenges covering balance, lower and upper body strength, hand strength, core stability, coordination and gross motor skill development. The combination of equipment encourages cooperation, competition, and imaginative play.

We hope to have the equipment installed before May. **HOW EXCTING!**

Thank you to the School Council for their input and great ideas.

Basketball Report

On the 27th of February year 6 played a basketball match against Sunnymede; the team was Josh H., Luke, Brandon, Beau, Harvey, Isabella, Jessica, Michaela, Zak and Lewis. In the first period, Luke, Beau, Josh, Lewis and Michaela played. During the next period it was Zak, Harvey, Jess, Isabella and Brandon. It wasn't a very tough game, but we still had to play well to win the match. We drew the second period and won all the rest. During the 5th period, Josh scored a screamer from behind the half way line, which led to him being M.V.P. We are looking forward to our next match. We want to say a very big thank you to the parents and teachers who supported us, such as Miss Penkett and Mrs. Waterman.

WORLD BOOK DAY 2017

Please note change of date from last week's DASH

EASTER EGGSTRAVAGANZA

The school council will be selling raffle tickets for Easter Egg prizes in the weeks beginning 6th, 13th and 27th March. Tickets will be 20p or £1 a strip.

On the 24th March we will be holding an Easter Egg competition. We would like all the children to get creative and make and decorate an egg or just decorate anything shaped as an egg. A winner from each class will be chosen and will win a prize. We will be collecting a 50p donation for entries on the day. All proceeds will go to our chosen charity for the year the **Cystic Fibrosis Trust**. There are lots of ideas on **Google**.

District Cross Country Competition Report

On the 28th February 2017, Luke, Brandon, Beau, Josh H., Brynley, Daniel, Michaela, Jenna, Lucy, Kiera, Isabel and Akshaya all went to a Cross Country Competition at Weald Country Park.

The girls raced first at 1:30pm. The race was over in a few minutes, but it seemed a lot longer. As we were at the starting line we had a pep talk from Miss Penkett, encouraging us to do our best. As all the girls crossed the finish line, the boys cheered us on.

The boys' race started at 2:00pm. It seemed quick when we were running; it was very tiring, but once we saw the finish line, we finished smiling as the girls cheered us on.

Class Assemblies

Class Assemblies start at 9:15 a.m. promptly. Refreshments will be available (for a small charge) and Year 6 will be running our popular raffle. All welcome!
