JUST JOSHING

On **Wednesday 1st November Years 2 to 6** watched a production called '**Just Joshing**'. The production's key messages were to highlight the consequences of bullying, from the point of view from bully, bullied and bystander. 'Just Joshing' aims to help the children define what bullying actually is and explain the difference between 'falling out' and 'bullying'.

The PTA are part funding this, but to also help with the cost of this production, we ask for a £1 donation. Please send in if you have not already done so. This would be much appreciated. Thank you.

Prayer Space Day—Light

The children entered a darkened room, Father Andy told the creation story by candle light. The children were awe-struck when the projected was switched on to represent the stars at night. Children coloured in globes on shiny silver paper to hang at home which reflect light and remind them that Jesus is the Light of the World. They lit candles to pray for people around the world and created artwork to be displayed in their classrooms. They finished by singing 'Matthew, Chapter 5', which had been learnt in assembly.
