## Sainsbury's Vouchers

Thank you for all your vouchers! We managed to collect 11,199 and have ordered lots of new sports equipment and some utensils for the cookery club.

## Photographs

On Monday morning Kittle will be in school to take class and team photos. We will also be having a whole school photo taken, this is done every other year. Please make sure your child has the correct uniform on and that they are in school on time. As soon as the registers have been taken we will **ALL** be outside for the photo (including the office staff). If we do not answer the phone, then please leave a message and we will get back to you.

# TOPIC WEEK

Apple class enjoyed learning about Brazil in topic week. We loved finding out about all the amazing animals which live in the Amazon Rainforest. We also designed and made our own boats to float along the Amazon river. We found out that chocolate comes from cocoa beans and even tried tasting some - yum! We loved having our carnival, dancing to Samba music, playing our paper plate maracas and wearing our colourful headbands!

This week Pear class have explored the mythical land China. We have learnt some numbers in Mandarin, made Terracota Warriors and decorated Chinese Dragon puppets.

Cherry class learnt all about Barbados. We made traditional Bajan houses, cooked a Bajan meal and listened to Bajan music. We also created oil pastel pictures of turtles and flying fish. Mr Baptiste came in to look at our houses and answered our questions.

Lime class have been learning all about Japan. We practised writing our names in traditional Japanese script, we decorated fans and kimonos with typical Japanese patterns and we worked in teams to design earthquake-proof buildings before testing them!

In year 4, we have been learning about Austria during Topic Week. We have been looking at the national dress and the geography of the country. We have learnt to count in German and composed some music inspired by Mozart, an Austrian composer. With Mrs Ashton we cooked apfelstrudel, a traditional Austrian dessert. Most of all, we enjoyed our work on Hundertwasser, an Austrian architect. He believed that everyone should live like a king in their fairytale house. We made models of our dream houses.

In Willow class the children made Ndebele houses out of clay and then decorated it with their own African patterns. Demonstrating their cutting and sewing skills, the children made cushions which featured South African landscapes. We barbecued our own sausages, made fresh sweet and savoury bread, salad, 'pap and sous' and dessert.

Sycamore and Beech are pictured above in Worship. All the classes shared their topic week with the rest of the school. For their topic week Sycamore class learnt about Morocco and Beech class learnt about Thailand.

**A BIG THANK YOU TO THE PTA FOR RAISING MONEY TO HELP FUND OUR HIGHLY SUCCESSFUL TOPIC WEEK. THIS ENABLED THE CLASSES TO PREPARE SOME LOVELY FOOD, MAKE MODELS AND CREATE CUSHIONS. WITHOUT YOUR HELP AND SUPPORT THESE SORT OF ACTIVITIES WOULD BE UNABLE TO GO AHEAD.**

# Tudor Day

Tudor day was an educational day with Steward Lambert from History Off the Page. First, at 9:15 we filed into the hall and sat in rows. We were introduced to Steward and he said we were apprentices. We went around to four activities out of : embroidery, the doctor, the medicines, ink making, scent bags, soap balls, candle making and book mark making. After, we heard a story and then had lunch. In the afternoon we experienced a Tudor banquet and we had rolls, cheese, apple and biscuits. We took part in 2 plays, singing and a dance. Overall, the day was exhilarating and entertaining. **By Ruby Man**
