Dear Parents and Carers,

It has been an eventful half term, which seems to have flown by, but I'm sure we are all looking forward to a restful week next week. See you back on **Tuesday 26th February**.

Preparations for our Junior production of 'Porridge' are well underway and the children are working hard to learn lines, songs and dances. Letters regarding tickets have been emailed home today.

Remember to post your ticket requests in the box outside the office by Friday 1st March.

Don't forget your costume for World Book Day on the 6th March. Dress as your favourite book character and bring the book along with you, along with a £1 donation for the 'Good News Academy'- our Kenyan partner school.

To help celebrate World Book Day, the PTA are running a quiz for all the children to enter. Quiz sheets will be coming home with the children today. To enter, please stick £1 to the completed sheet and return to the class teacher by 1st March. Winners will receive a book of their choice, with separate winners for infants and juniors. Have fun and good luck!

Apple class enjoyed learning about Chinese New Year last week. We learnt about the Story of the Great Race, watched a dragon dance and enjoyed tasting yummy noodles.

Healthy School Topic Week

In Monday's worship, a few of the juniors treated us to a fantastic gymnastic demonstration. Thank you Mrs Severn for organising. Well done girls!

This morning, year 5 braved a frosty start as they invited their parents to take part in their outdoor learning lesson.

Today's task was to build a shelter to hold two people, using very little equipment. Everyone learned that they needed to share ideas, persevere and deal with frustrations when things didn't go to plan; all useful skills which they can transfer to learning in the classroom.

A HUGE thank you to all of the parents who came and supported their children. We hope you enjoyed yourselves.

On Thursday, Apple class had a visit from Kerry Curness. Kerry is a dental hygienist and showed them how to keep their teeth clean and healthy. There are some information leaflets on the shelf outside the office.

The infants enjoyed making healthy snacks this week. We learnt how to spread the hummus or cream cheese onto the cracker and then chop up the fruit and vegetables to put on top. Delicious!
