1st St. Mark's meeting for year 3 parents 8:45 a.m.

Dear Parents and Carers,

This will be the last DASH of the year. I hope you have found our newsletter informative each week. We certainly enjoy writing it and sharing all of the wonderful events, activities and achievements with you over the year. To name a few: residential trips to St. Mark's; PGL; France; Colchester Zoo; Pantomime; London; Leonard Lodge, All Saints' Church; Chelmsford Cathedral; the wonderful 'What a Knight', the music concert; prayer space days; sporting events- District sports; the Basketball league, netball matches, football matches, secondary school events and all of the lovely social events our PTA have organised— discos; the Christmas Bazaar; Summer fun day; Welcome picnics; Ice cream socials; Easter Celebrations, Comedy Bingo. What an eventful and great year it has been! I would like to say a very BIG THANK YOU to the staff, governors, PTA, parents and the church for enabling all of the extra activities to take place and enrich our curriculum.

I wish the year 6's the very best of luck as they venture on to new places. Well done for all of your positive contributions and a wonderful Leavers' Service. A special thanks also to Mrs Waite, Mrs Norton and Mr Williams for their thoughtful speeches and Father Andy for his encouraging words.

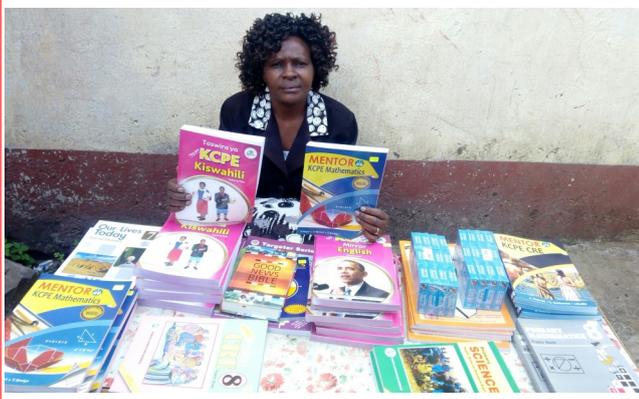

We also say a sad farewell to Mrs Bennett, she will be truly missed, after many years at school as an LSA and Governor. We are lucky she has agreed to continue as a Governor. Mrs Boldon will be leaving as after all her hard work in the kitchen and hall. Good luck to Miss Achurch who will be returning as Mrs Taylor. We wish them a wonderful wedding.

Over the summer there will be an essential building project taking place in school. The new boiler fitted last year, unfortunately, led to burst pipes. During the holiday, underground pipes will be replaced, which is a big project, funded by the EFA, after we placed a condition and improvement funding bid in December.

I wish you all a well deserved, relaxing and fun summer holiday and look forward to returning after my maternity leave. I know I leave the school in very capable hands.

Mrs J Manookian

Thank you again to Neil Kirby for visiting us this week to tell us about The Good News Academy. He shared how pleased the Head teacher and children were after receiving our donation (raised by World Book Day). This year they bought lots of books for learning the new curriculum. You can also see in the picture the colourful chairs, which we bought for them last year. Thank you to all those who donated money, it has certainly enhanced the children's school lives.

Next year we hope to raise more money so maybe they can use it to improve parts of the school building. To the left is a picture of the corridor the children use to get to the classroom.

Cancer Research and Guide Dogs for the Blind

We have been able to donate the grand total of £300 to both of these charities. This sum was raised by the following events:

£121 Country Fair (jars); £127 Easter raffle; £75 Easter competition; £36 donations; £161 cake sale; £80 hamper (won by Mr Stone);

Thank you to the **School Council** who helped organise and raise the money and to all the staff and parents who supported these events.

We are now able to sponsor a guide dog. Pictures and puppies name in the next DASH. Over the summer, perhaps you could think of a charity you would like to nominate for next year.

Attendance

Best week ending 13.07.18: Sycamore

Best for the whole year: Cherry

Whole school target for year **97%**

Whole school attendance reached **96.36%**

Well done Cherry Class! Your attendance for the year was 97.45%.

Closely followed by Lime Class 97.10%

We do hope our whole school attendance can improve next year as this is the lowest it has been for many years. A reminder that the school cannot authorise holidays and it is likely you will receive a fine for taking children out of school during term time.

Teddy Bears' Picnic

Infants enjoyed a fabulous teddy bears' picnic, playing games and having fun with their teddies and one enormous Teddy visitor!

The staff and children were entertained in the Talent Show this morning by some very talented children.

At the time of press, results are not known. They will be in the 1st DASH of the new term. Good Luck!

Last Friday Year 4 visited All Saints' Church. We considered how the church made us feel, what it smelt like and the things we could feel. We named the different objects you can find in a church and explored the graveyard. Thanks to Mrs Thomas who told us about the history and many interesting facts relating to the church and local people.

Summer Safety

Water safety

Don't swim in rivers, lakes or quarries – it can be extremely dangerous. Every year in the UK young people are seriously injured or die as a result of swimming in open waters.

Hidden dangers

- There may be hidden currents.
- It will be very cold.
- It can be difficult to get out (steep slimy banks).
- There may be hidden rubbish, e.g shopping trolleys, broken glass.
- It is very difficult to estimate depth.
- The water may be polluted and make you ill.
- There are no lifeguards.

At the beach

- Read and take in the safety information signs. If you are going to swim, pay special attention to the information about coloured flags.
- The tides can be dangerous, so check this before setting up on the beach or going into the sea. Check with the lifeguard on patrol if you're unsure.
- Only use inflatables on a beach that's patrolled by lifeguards. Make sure children's inflatables are secured with a guide line and held by a responsible adult.
- Take extra care around slippery rocks, cliff tops, harbour walls, piers and rock pools.
- Do not jump from a height into the sea. There may be jagged rocks or similar matter just below the surface.
- Do not build sand tunnels to climb through. They can easily collapse on people and suffocate them.
- Don't forget about sun protection. Ensure children and young people have access to high factor sun cream, sunglasses, a t-shirt and hat, a beach umbrella and a cool drink.

Summer Safety

Stay safe in the sun

- Stay out of the sun during the hottest parts of the day, particularly 11am – 3pm.
- If you have to go out when it is hot, make sure you apply sunscreen, wear a sun hat and move into the shade where possible.
- Drink plenty of water/cold drinks, but avoid drinks containing caffeine.
- Spraying water onto your skin or placing a damp cloth on the back of your neck will help you keep cool.
- In hot weather, keep an eye on people who are elderly, ill or very young. Make sure they are able to keep cool.

Home Security

- Always lock your windows and doors. In 1 in 10 burglaries, access is gained to property through an open window or door.
- Keep valuables out of site e.g: Smart phones, mobile devices, home entertainment systems, jewellery, car keys.
- Always lock garden gates, garages and sheds.
- Do not leave keys outside the property (e.g: under a mat or in a plant pot). Wherever possible leave keys with a trusted person to allow access.
- Store away tools or ladders so they so they can't be used to aid burglars.
- Use outdoor lighting and CCTV to deter burglars.
- Do not post on social media while you are away on holiday.

Camp fires

- Camp fires must be started/supervised by a responsible adult.
- Only light a camp fire in specially designated areas/sites.
- Choose a clear area away from trees and bushes.
- Ensure there are no overhanging branches.
- Use a fire ring if provided. If not, make one with stones/rocks. This will help contain the ash.
- Keep gathered fire wood away from the area.
