## Juniors- Save the Date

### Sunday 4th December

Shenfield will be holding their annual Christmas Fayre on Sunday 4th December.

We would love for the children to sing again this year. We had so many wonderful comments about them last year and it was a fun event.

Thank you to everyone from Hutton All Saints' school who contributed to our Harvest appeal. We have £520 to send to Save the Children and the school gave £153.50 towards that. Thank you all very much. Dawn White (Parish of All Saints' with St. Peter, Hutton).

**Save the Children**

Congratulations to our first 4 Radical Readers from the Juniors: Sam Severn, George Ashton, Charlotte Williams and Ruby Man. They have each been awarded a topic book of their choice.

The PTA will be sending home a 'Bag 2 School' sack today. This company specialises in good quality second hand clothing that can be re-used. The bags will be weighed and we will be paid for the total weight collected.

NO BEDDING, CURTAINS, TOWELS, HOUSEHOLD LINEN OR BRIC-A-BRAC PLEASE.

**PLEASE DO NOT BRING YOUR BAG TO SCHOOL BEFORE THE 17TH NOVEMBER. LEAVE YOUR BAG IN THE SCHOOL CAR PARK BEFORE 9:00 A.M. ON THE 17TH NOVEMBER (by the dustbins).**

# PREVENTING BULLYING

## **Quick checklist: What bullying is (and isn't).**

**In PSHE (personal, social, health education) your child will learn that bullying:**

1. ....goes on for a while, or happens regularly.
2. ....is deliberate. The other person wants to hurt, humiliate or harm the target.
3. ....involves someone (or several people) who are stronger in some way than the person being bullied. The person doing the bullying has more power, they are stronger, there are more of them or they have some 'hold' over the target (e.g. they know a secret about them).

**Because these three things have to happen together for something to be called 'bullying', they will learn that bullying is not:**

- . A one-off fight or argument
- . A friend sometimes being nasty
- . An argument with a friend

Be a good role-model in the way you talk about and treat others—your child will learn that everybody deserves respect.

Model empathy for others—talk about how other people might feel in different situations: in real-life, TV programmes, books, films and play.

## We are a Healthy School

On my rounds in the school hall this week, I have noticed many items in children's lunch boxes that can be swapped for healthier options. Why not swap white bread for brown bread? Packets of jelly fruits for a piece of real fruit? A yogurt instead of a packet of crisps? It is also really important to remember to include different food groups and ensure the children are not eating too much sugar and fat.

We are a healthy school and we want all of our children to understand the importance of healthy eating. **Please save treats such as crisps, chocolate and sweets for home time.** **Miss Miller**

### NHS Guidance

**School meals are a great choice for your child, but if you choose to make a packed lunch for them instead here are some tips for preparing a healthier lunchbox.**

#### Preparing your child's lunchbox

A healthier lunchbox should:

- be based on starchy carbohydrates (bread, potatoes, rice, pasta)
- include fresh fruit and vegetables/salad
- include a source of protein such as beans and pulses, eggs, fish, meat, cheese (or dairy alternative)
- include a side dish such as a low-fat and lower-sugar yoghurt (or dairy alternative), tea cake, fruit bread, plain rice/corn cakes, homemade plain popcorn, sugar-free jelly
- include a drink such as water, skimmed or semi-skimmed milk, sugar-free or no-added-sugar drinks.

**Thank you PTA for a fun Race Night. It raised just over £100 for the school.**
