Pear 100%

Dear Parents and Carers,

I attended the PTA meeting this week and the parents there were excited about organising more special events for us all, including the Summer Fete, which is imminent.

They cannot organise these events without lots of volunteers on the day, so, this is a special personal plea for parents to come forward and volunteer (1 hour time slot) and support the activities on the day! Please let Karalyn or Sarah know. I would like to thank the PTA members for all of their hard work, raising over £1300 in recent weeks. Their dedication to our school is valued by all. As you may be aware, school budgets are getting tighter and tighter and extra resources cannot be funded. The current fund raising will hopefully purchase much needed new laptops, which our school budget will never be able to provide.

The PTA have a very informative and up to date website, that can be found at:

<https://www.pta-events.co.uk/huttonallsaintspta>

Here you will be able to find forthcoming events, items to purchase (including the very popular Adventure Island tickets), special offers and useful information. Please take time to visit the website for a browse.

During this half term you will notice work in progress outside the school. We are installing new security fencing around the school. Whilst the vegetation is being cut back, there will be some temporary Heras fencing. As part of the project, we are having gates put in between the school playground and the community centre. These gates will be locked at all times, except for when we need access for our P.E. lessons. This means next year we won't have to take the children outside the school, but can go straight from the playground.

Heras fencing

This work is the first part of the project, which is enabling us to make our school a safer place. The second part will be completed during the Summer holidays.

Miss Miller

Mrs Waterman

Unfortunately, Mrs Waterman has had to leave us a few days early as she needs to be closely monitored in hospital, for the next few weeks, before her baby arrives. We send her our love and best wishes. We will put our special goodbyes on hold for when she visits us later in the year. Staff will be visiting her next week to keep her entertained and deliver gifts.

PTA—We managed to raise £665 at the quiz on Saturday. Everyone enjoyed themselves and Gamel was a fantastic quiz master. The winning team were called 'We live in Hope' and only beat the runners up - 'Quizical Biggins' by 3 points. We would like to thank everyone for attending. What a super fun night!

FILL A JAR

For the Summer Fete this year the School Council will be running a 'Fill a Jar' Tombola. We would like every child to fill a jam jar or something similar with anything they like. You can fill it with sweets, hair bubbles, pamper items, small toys or use your imagination and come up with something unique. If you would like to decorate the jar, it will make it look even more tempting on the tombola stall. There will of course be a prize for the most creative in each class.

Please do not bring your jars in until the week beginning 19th June.

Lots of ideas if you google 'fill a jar'.

Willow Class Assembly

On Thursday, Willow class presented their assembly to the whole school and their families.

They did a fantastic job showing us all their amazing work they have produced on T. S. Eliot's poem Macavity the Mystery Cat.

Well done Willow class

Trim Trail Opening and Year 6 Cake Sale

The Trim Trail was officially opened by some guest visitors on Monday.

The Minions cut the ribbon and the trim trail was straight away put into good use. A big thank you to the 'Big Lottery' for funding this.

What an amazing lot of cakes we had for the Year 6 cake sale. Thank you to all those that baked and came along to buy. Money raised—£176.25.

Bible Explorer

In year 4 we have been doing Bible Explorers. Every Wednesday a lady named Barbara, with her helper Olive, teach us about the stories in the bible. We have a booklet which has symbols inside. The symbols represent the different stories in the Old Testament. We also act out the stories which makes it fun. We thank Barbara and Olive for teaching us.

By Hannah and Naomi

Summer Concert

Thursday 13th July at
6:30 p.m.

Our Thoughts and Prayers
are with
The people of Manchester

Mrs Waterman and her family.

NSPCC

Thank you to Jo and Lisa, from the NSPCC, for coming into school to complete workshops with year 5 and 6. They were very informative and talked to children about keeping safe and where to find help. These workshops are very valuable and we thank the NSPCC for their support and free resources. We hope they continue in the future. Posters are displayed all around school to ensure their number is easily accessible.

E-safety

Thank you also to the Fire Service who are currently providing talks on keeping safe online. Again, it was very informative, warned our children of online dangers, how to keep safe and ensure their behaviour is appropriate.

Thank you Kate!

We very much appreciate volunteer speakers from our community, who come in to our school to support and inform us. May their super work continue.

**HUTTON
ALL SAINTS'
Summer
FETE**

Sunday 25th June 2017 12pm – 3pm

**Beer / Pimms / BBQ / Crepes
Inflatables* / Pony Rides
