including

SUPPLEMENTARY INFORMATION FORM

Effective from: Commencement of Academic Year 2022/2023

1. ADMISSIONS AUTHORITY

Hutton All Saints C. of E. Primary School is an Academy. The governors of this school are the Admissions Authority for all applications for places at this school and, as such, are responsible for:

- the content of this policy
- ensuring that the procedure for all admissions to the school is in strict accordance with this policy
- ensuring that all admissions appeals relating to applications for places at this school are executed in strict accordance with the Code of Practice set out by the Department for Children, Schools and Families. The governors have elected to delegate the implementation of admissions appeals to the Essex Local Authority (LA)

This policy is endorsed by the Chelmsford Diocesan Board for Education.

2. SCOPE OF DOCUMENT

Where and if, for the convenience of parents and prospective parents, extracts from this policy are duplicated in the school prospectus, general admissions material and other documents, the wording in this policy shall take precedence where any wording discrepancy exists.

- 2.1 This policy governs the applications process for all prospective pupils at our school without exception. It is divided into four sections:

SECTION A

Applications for a place in the Early Years Foundation Stage (EYFS) in our school effective from the commencement of the coming academic year.

SECTION B

Applications for a place in the EYFS in our school received subsequent to the application date for the September intake as defined in Section A.

SECTION C

Applications for a place in EYFS to Year 6 during the current academic year.

SECTION D

The Supplementary Information Form (SIF.)

The supplementary information form for this school will only be available as part of this admissions policy and application document (see Section D) and constitutes the final pages that are detachable.

- 2.2 Please note - The reading of this policy document is considered an implicit part of the parental process of submitting a SIF.

The Governing Body has given delegated authority to the Admissions Committee to make routine amendments to this policy. Any such changes will be recorded.

3. APPLICATIONS

SECTION A

Applications for a place in the EYFS in our School effective from the commencement of the Academic Year 2022/23

The school follows Essex County Council's scheme for the coordination of pupils' admission to Primary School on the following basis:

- 3.1 Children who are offered a place in the EYFS will be admitted in the September during the academic year in which they are five years old. Parents can request that the date their child is admitted to the school is deferred until later in the school year or until the child reaches compulsory school age in that school year. Parents may also request that their child attends part-time until the child reaches compulsory school age. Parents would not, however, be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted.
- 3.2 Parents of a summer born child may choose not to send that child to school until the September following their fifth birthday. They will need to apply for a place at the correct time for the normal admission round for the following academic year. They may request that they are admitted out of their normal age group – to reception rather than year 1.

As the Admission authority for this school, applications for children out of the normal age group will be considered by the Governing Body and any relevant professionals when the LA, under co-ordination, request the school to consider such applications. In all cases supporting evidence should be provided.

It is strongly recommended that any parent considering such an application should read the document produced by the Department of Education, "Advice on the admission of summer born children"

- 3.3 Places will be offered without reference to ability or aptitude;

The number intended to admit into EYFS each autumn term will be 33

Children with a Statement of Special Educational Needs under the Education Act 1996 Section 324 specifying Hutton All Saints' Church of England School will be offered a place.

The following criteria will then be strictly applied, in the order set out below, to decide which children will be offered a place.

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority in the exercise of their social service functions (see the definition in Section 22(1) of the Children Act 1989).
2. Where a child has any brothers or sisters at the school at the time of application.
3. Baptised children whose parents are regular worshippers at All Saints'/ St. Peter's church. (In this context we mean regular to be at least monthly for at least a year.)
4. Children of staff at the school – where the member of staff has been employed at the school for two or more years at the time of application or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
5. Children whose parents are regular worshippers at another Christian Church and whose applications are supported by the appropriate church authority. (In this context we mean regular to be at least monthly for at least a year.) Where the parents are regular worshippers in the Church of England in another parish, the child **must** be baptised.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship”.

6. Proximity of the child's home. Distances are calculated in accordance with the Local Authority's published process, set out in the Primary Education in Essex booklet, available to view on the website www.essex.gov.uk/admissions.

For the purposes of this criterion, the address measured will be that given on the SIF (Supplementary Information Form) and must be the applicant's place of residence on the application date. The SIF can be found on our school website.

In the event of a tie in any category, the place will be awarded to the child living nearest to the school.

- 3.4 Parents of prospective pupils to this school may visit by appointment.
- 3.5 Copies of the SIF for each September's intake will be posted to parents who have placed Hutton All Saints' as one of their preferences on the ECC's admission form, unless we have already received a completed SIF from them. The document will be sent to the address shown on the register.
- 3.6 If any parent who has completed the common admissions form has not received and returned the SIF to the school by the date set by ECC. it is their responsibility to bring this to the attention of the school.
- 3.7 On the strict basis as set out above, the Governing Body will offer a number of places not exceeding the published admission number stated above for the following September's EYFS intake. Only information given on the SIF and supplementary documents from the clergy will be considered during this process. Applicants will be notified formally by Essex County Council in April.
- 3.8 Parents so notified will also be informed that;
 - if they so wish, their child's name can be placed on a waiting list for a least a term pending any subsequent vacancy for the following September. If a vacancy

subsequently arises the offer to fill it will be in strict accordance with the criteria stated above.

- appeals against the refusal of a place will be heard by an independent appeals committee. Parents wishing to appeal should do so in writing within 14 days of receiving the decision of the governors to The Clerk to the Independent Appeals Panel, County Hall, P.O Box 11 Chelmsford, CM1 1LX

SECTION B

Applications for a place in the EYFS in our school received subsequent to the application date for the September intake as defined in Section A.

Applications submitted to E.C.C. after the closing date, which in view of the L.A. could have been completed on time, will be accepted but treated as late applications. Late applications will only be considered after all on time applications have been considered and the initial allocation of places has been made (April). The waiting list will be administered strictly by E.C.C

SECTION C

Admission arrangements for a place in the EYFS outside the normal admissions round and applications for a place in EYFS to year 6 during the current academic year.

- 3.9 Parents expressing a wish for their child to be considered for a place in the school during the academic year in progress may apply for the school at any time. A mid-year primary application form from ECC needs to be completed, as the LA co-ordinates mid-year applications. A SIF will also need to be completed. A copy of this document can be obtained from the school website or office. Where there is a vacancy a place will be offered. The local authority will notify applicants of outcomes.
- 3.10 In the event of the year group being full, ECC will inform parents in writing that their application has been unsuccessful and advise them of their right of statutory appeal.
- 3.11 The school does not hold waiting lists. Parents are advised to contact the school office on a regular basis for information on any available places.
- 3.12 The year group for each year is deemed full if the numbers on roll for that year group meet or exceed 33.
- 3.13 The offer of a place will be provisional until:
the school receives from the parent(s) written acceptance of this offer and
the school receives from the parent(s) a fully completed enrolment form
the child has been registered and taken up the place.

4. CONDITIONS RELATING TO ALL APPLICATIONS IN SECTIONS A, B AND C ABOVE

The admissions authority has the right to withdraw an offer of a place to any applicant who is found to have knowingly submitted false or misleading information on the S.I.F.

5. ADMISSIONS APPEALS

As the admissions authority the Governing Body is responsible for ensuring that the appeals process is implemented in strict adherence to the prevailing issue of the DFE's Code of Practice for School Admission Appeals.
