Thoughts and Prayers

Our thoughts and prayers are with everyone at this difficult time, but particularly with the Slaters, who have lost loved ones.

Dear Parents/Carers and Pupils,

I hope you all had a wonderful Easter weekend!

Next week sees the start of a new term, and with it, a new value: perseverance. Perseverance means 'to keep trying hard, even though you may find things difficult'. At this time, we might be finding things tough: learning from home, staying inside, not seeing our loved ones. We need to keep trying to see the best in our situations and remembering that it won't last forever.

Have you been watching Father Andy's weekly worship for us via his you tube channel? Thank you Father Andy! Check it out! <https://www.youtube.com/channel/UC-GvE3Jj3lgeb3j21AEXtfa> As this is a YouTube channel, it will need to be supervised by an adult, as other links can pop up.

We are adding more to our **It's Learning pages**; please check your emails, which will explain what we're adding and how we've created more of a learning structure each week for our pupils.

Remember to send us any photos of your home activities to:

infants@huttonallsaints.essex.sch.uk or juniors@huttonallsaints.essex.sch.uk

From next Monday, BBC iPlayer and the Red Button service will host Bitesize Daily. These are six 20 minute shows, covering what should be learned that day for every year group. Maths, Science and English will be covered in dedicated programmes, and other subjects such as History, Geography, Music and Art will also be covered. The Bitesize website you use now will expand to offer additional help for students and their parents. The content of these lessons will be backed up by new videos, practice tests, educational games and articles.

Mrs Barfoot has been trying out new recipes.

This was a braised red cabbage, sausage and apples recipe. Yum!

Miss Penkett has been running every day in the countryside near her house.

Well done Miss Penkett!

More to follow next week...

Sibling time!

Ayaan and Raihan have been practising kickboxing, and Ayaan has been working on writing; Matthew and Violet have been active whilst learning number bonds **and** creative making pottery; and Kavin made Shri a delicious banana milkshake!

Mahdi learned about measuring and did a wonderful drawing; Mylo went on a bug hunt in the woods and practised languages; and Isabelle planted seeds and made a lovely Easter stained glass window.

Harry learnt about other countries and practised reading; Marnie made a beautiful Easter wreath; and Prajna played with water balloons in the garden.

A big thank you to Ellie Gilbert, who kindly gave these lovely Easter baskets she'd made to the children (and adults) who are still coming into school. What a thoughtful thing to do!

Eva has been learning about measuring and capacity.

Myrto did this fantastic picture of Mr Panda.

Mason and Harrison made these super Easter bonnets!

Nathan did this wonderful picture as part of a project on Aladdin.

Violet has been doing online dance classes, and has been 'dressing herself happy' - we like your style Violet!

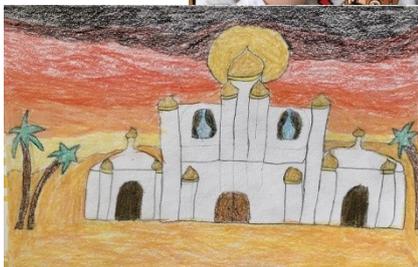

Isabelle drew a lovely picture of the sultan's set (from the film Aladdin), and drew chalk side her house.

Nathan also lost his very first tooth!

lovely picture of the sultan's palace at sunset (from the film Aladdin), rainbows outside her house.

Join in with The Big Sing online!

If your children enjoyed the songs they learnt in the autumn term for the Big Sing concert, then take a look at this playlist that The Big Sing have prepared for you to sing along to at home (including the popular Warm Up song!): <https://www.youtube.com/playlist?list=PLe8H2nTF0o6yjuigHFWkwtvD0ZzLwwQmh&fbclid=IwAR05pr931A5AWOWKc0Zi0-JtqGAdbkUhaxJCzp5BqHHYFPWBkRjeQrJ8MXQ>

It's completely free to use, but as it's on YouTube, please supervise your child if they watch this.
