### Dear Children and Families,

It is great to be back! Seeing everyone's smiley faces has been a joy this week. I would like to say a **GREAT BIG** thank you to everyone for their hard work whilst I've been away, particularly **Miss Penkett** who took on a huge task and did a great job during a challenging time.

We have lots to look forward to in this short term before the school holidays; we are trying to ensure we organise some fun events that can be done within the bubble rules. I'm pleased to say we will be having an Infant and Junior sports morning. Unfortunately, we cannot invite parents this year, but the children will be doing lot of fun activities to earn points for their team. Further details below. We also look forward to a **World Book Day**, where we can all dress up, so start thinking about your costume.

Our year 6 pupils have been on their residential this week. I know they have had lots of fun and we look forward to seeing pictures in **DASH** next week. Thank you to the staff who accompanied them and made it happen!

I look forward to seeing you all around school, Parents and children please come and say hello if you see me.

**Mrs J. Manookian**

### Sports Mornings

We are delighted to announce that the children will be able to participate in a Sports Day this year! However, sadly we are unable to invite parents, due to current restrictions. Please make sure your child is wearing a t-shirt in their house colours (call the office if you don't know which team your child is in), and that your child has their water bottle, and is wearing sun cream if it's hot. The PTA will kindly be donating lollies for afterwards. Infants: 5th July; Juniors: 8th July. Photos will be shared in **DASH** and on It's Leaning.

## NOTICES

### **Class Exchange Morning**

Letters will be sent out in the week commencing 21st June. This will contain your child's class and teacher for September, and information on the class exchange morning on Friday 25th June. Please remember it is a half day, and the whole school closes at 12pm. Please note, the times for entry and exit will be slightly different that day, so please do read the letter carefully.

### **Holidays abroad to red or amber countries**

Please make sure you keep up to date on whether any country you are planning to travel to is in the government's red or amber travel zones, as these both currently require quarantining on your return.

All children are due back in school on Monday 6th September 2021.

### **Y6 Breakfast club**

If your child is interested in attending the year 6 breakfast club next week, there is still time to sign up! Please reply via email and you can pay your money on Monday. It starts at 8.00am, runs Tuesday - Friday and costs 50p per day.

### **Y2&3 Swimming**

Please make sure you have responded to the email sent yesterday by Wednesday 14th June.

### **Request for beach items**

Apple class are making a beach in their classroom. However, they need some extra bits to set the scene! Therefore, if you have any small foldable children's deckchairs / camping chairs / beach wear / beach towels / sun hats etc. that Apple class can use for dressing up, they would be very grateful!

## Daily Mile May Challenge

As you may know, as part of our commitment to health and well-being, we ask the children to take part in a 15 minute session of physical activity each day called the Daily Mile. Throughout the month of May, every class was set a challenge to see how far they could run each day. The class totals were recorded and prizes were awarded to the class in each key stage who clocked up the biggest distances.

In Key Stage 1, our winners were Lime class (24 children) with a very impressive **434 miles**.

In Key Stage 2, the winners were Pine class (32 children) who managed an amazing **438.2 miles**.

**As a school, we managed a total distance of 2274.2 miles which is roughly the straight-line distance from Brentwood to the Dead Sea in Israel!**

A huge well done goes to all of the children for taking part and a huge thank you goes to the staff who have found inventive ways of keeping the children motivated to run each day. Well done everyone. Keep on running! *Mr Horne*

**Lime Class are Running for Gold!**

Lime and Pine classes worked hard during the May Daily Mile Challenge.

Just look how pleased they are with their gold medals!

## Pine class - Maths

Pine Class have been working hard in maths this week, and have been learning all about time.

On Wednesday they even made their own analogue clocks!

Gifts will be delivered via your child, or can be collected from the office. If you would like your child to bring their gift home, please provide a named bag for them to bring them home in. Thank you.

**Raffle tickets** are now also on sale! Win the superhero in your life this lovely chocolate bouquet. **£1 per strip**; tickets can be brought in class - good luck!

**Thank you for your continued support. You're all our heroes!**

## Willow Class - Science

Y5 have been studying plants in science this week. They learnt to identify and label parts of a flower, and then they went into the school fields to take some cuttings.

They each took their cuttings home to see if they could propagate them... do let us know if your cuttings grow Willow class!

Propagating plants is a rewarding and fascinating process to obtain new plants. If you want to try it at home, take a look at the RHS website, where they have lots of tips:
