Happy End of Term!

It has been great seeing you all back in school for the last few weeks – I hope you've enjoyed being here as much as I have!

Pear Class families – your children will be keen to show you their Easter Service film which is on the Pear Class Course on It's Learning (Page called Easter Service). The rest of the children watched it in school today.

Just a reminder to all families: please **do not** use the infants@ and juniors@ email addresses – these are for lockdown periods only. Send all enquiries to admin@huttonallsaints.essex.sch.uk

Covid Track and Trace: if your child is unfortunate enough to become ill with symptoms over the holidays, please inform us immediately, and keep us updated with test results, as we may need to take action.

Have a wonderful, fun and safe Easter break, and make sure you come back rested and ready for an action-packed summer term!

Love from Miss Penkett x

Good luck to the Barrell family, who are moving to a new area. We wish you all the best in your new school!

Happy Easter from the staff at Hutton All Saints'!

It's certainly been an unusual spring term - 8 weeks of homeschooling (remember that?!), followed by three weeks in school.

The staff are definitely ready for a break and we're sure you are too!

HAPPY EASTER!

See you on 12th April.

GREAT WORK ON DOODLE MATHS, APPLE CLASS!

Well done to these children, who have worked particularly hard on Doodle Maths this week:

Anton, Georgina, Myra, Francesca, Olivia, Wyatt, Flo, Teddy, Reuben, Elise, Varenya, Valentina, Jackson, Sulaiman, Elodie, Mary, Delilah, Henry

Please call the school office if you need your Doodle passwords.

Between the **1st of April and the 30th April**, Doodle will be running two Spring Challenges — the **DoodleMaths Challenge** and the **DoodleEnglish Challenge**!

The Challenge encourages children to use Doodle for a few minutes each day, helping them to **rebuild their confidence** and **get back on track** in their learning. Best of all, those who take part can earn a free pin badge and certificate!

How to take part: From the 1st of April, visit parents.doodlemaths.com and press **Register** next to your child's name. Then, encourage your child to **earn 450 stars** (or **350 stars** if they were born on or after 01/09/13) **and achieve a 7-day streak** in DoodleMaths and/or DoodleEnglish.

Once they've reached their target, you'll be able to claim their reward by logging in to the Dashboard and pressing **Claim reward**.

Lime Class

Lime Class have been busy in DT learning how to use the pop-up mechanism to make Easter cards.

Look how pleased they are with their designs!

Willow Class

In science this week, Willow class were looking at the properties of materials, and discussing the best way to study elasticity. Mrs Whitbread tested the children's self control, by giving them Curly Wurly chocolate bars for the experiment!

The science bit: some materials behave differently according to their temperature. The Curly Wurly stretches better when it's warm, because its molecules are spread wider apart, increasing the material's elasticity. When the chocolate and toffee are cold, their molecules are bonded together tightly, which stops it stretching. Why not try it at home? You could also try using a frozen Curly Wurly, or try it after it's been in the microwave for ten seconds - would it be harder or easier to stretch? *(Please check with a grown up before using a microwave).*

Did you know that the Guinness World Record for a Curly Wurly stretch is 4.26 meters? It was accomplished under three minutes by Tracy Sullivan in Frome in 2015.
