Dear Children and Families,

It's been a wonderful week in school! The children all thoroughly enjoyed their sports days. Thank you to the PTA for the ice pops the children had afterwards. The infant pictures have now been uploaded to our website, and the junior ones will be uploaded next week. View the photos here: [Hutton All Saints Infant Sports Day](#) Congratulations to the **GREEN** team, who were our winners this year!

I hope our Y5s have had a lovely day at Skreens Park today. We look forward to seeing you all next week for our final week of the school year. We have lots of exciting things planned! Y6 have first aid training on Monday, and their fun (top secret!) last day on Friday; the infants are having their teddy bears' picnic on Monday afternoon (please bring one teddy - everything else will be provided by school); Apple class are going to church on Tuesday for a special RE lesson (children are to wear their own clothes, but please do not wear anything too fancy or dressing up, as it needs to be suitable for the whole day at school); we are celebrating World Book Day on Wednesday; and we are all watching the talent show on Thursday. What a lovely week!

If you are able to support the school by buying some PTA raffle tickets (see details on page 3), it would be very much appreciated. The PTA have not been able to run their major fundraising events during the last 15 months, and have therefore missed the opportunity to raise around £8,000 for the school. We are very lucky to have a wonderful parent community who regularly support our events, for which we are extremely grateful! If you would prefer to make a donation, you can do so here: [Donate](#)

Have a lovely weekend everyone - I hope you all enjoy the football on Sunday evening!

Hot School Lunches

We have a number of lunch payments that are still outstanding. Please ensure you pay by the end of term - particularly if your child is in Y6.

Please remember that menus for the autumn term are due today. If your child will be in the juniors from September, you will need to return a form.

Sports Day

CONGRATULATIONS to the **GREEN** team, who won sports day this year!

TEAM
GREEN

We hope all the children had a wonderful morning!

Well done to all our very talented children!

Here are some wonderful examples of the different talents our school children have!

Eva grew this amazing plant from a basil cutting after learning about propagation in science - well done Eva, Mrs Whitbread was very proud!

Emme participated in a cheerleading competition in Bournemouth last weekend. She had to learn a tricky routine and perform it on a big stage - well done Emme!

Nirav has been growing the runner bean cutting that he brought home from school just before half term. He enjoyed re-potting it with his dad and building the teepee structure (it has really grown from the small cup he brought it home in!) The plant on the left is the sunflower seed that was given to the children to plant about a month ago, which is also starting to grow.

Celia designed and made herself clothes during lockdown, and decided to branch out and make dog coats. She managed to make £140 by selling them to friends and family - what a fantastic achievement Celia!

Anay got second place in a maths times table test. He got a trophy (his first one) and certificate, which he is very proud of. His year group had to answer as many questions on the timetable within one minute - he scored 47!

Eva, Paisley, Erin and Noah took part in the Nuclear Mud Run Obstacle at the weekend and loved it! They got very wet and muddy but loved every minute of it. So much so, that they chose to complete the optional second lap of the course and are talking about the next event in September! (Mr Hindley also looks like he was having lots of fun!)

Father Andy's visit to the infants

Father Andy visited the infants this week. He explained to the Y2 children who are going into the juniors that it's normal to feel worried and excited about change.

"We asked him lots of difficult questions and wrote prayers about being thankful, worried and excited. We hope he comes again!"
