School Calendar

2021

January - February

Monday 4th January - 12th February

On Monday, the Prime Minister announced a national lockdown in order to reduce the spread of COVID-19.

The new restrictions mean that our school will remain open only for the children of critical workers and vulnerable children to attend on site. All other pupils and students will receive remote education until February half term and must remain at home, in line with national guidance.

We need to ensure that the number of children accessing the offer of provision in school is kept to the **lowest number possible**. Therefore, even if you are a critical worker, if your child(ren) can remain at home rather than attend school, on some or all days, then they should. Please **only** use the offer of provision when it is **crucial for you to undertake your critical role**.

Dear Children and Families,

We've made it through week 2! Well done everybody!

This week, some of our lovely LSAs have started phoning your homes to have a brief chat with the children to check on their wellbeing. These calls may show up with no number, so please don't ignore them!

It's been great to hear from your teachers that so many of you are now managing to complete your learning and sending it in. We have tried to set work which is manageable with minimal (home) adult support by including more of the explanation videos.

Remember to email admin@huttonallsaints.essex.sch.uk

⇒ if you have a photo you'd like to go in DASH

⇒ if you need an exercise book to write in, or a printout of worksheets

Message your teacher on [It's Learning](#)

⇒ if you have a question about your learning

⇒ with photos or screenshots of your work

As your teacher may be in class, you could send your message to another teacher in your class or phase, e.g. Mr Horne and Mrs Ashton for double the chance of a quick reply!

Love from Miss Penkett x

A message from the Daily Bread Café

Many of you know we freely give bags of food every day Monday to Saturday 10am-12pm, which would otherwise end up in landfill. We do this with much love, but have been saddened this week by stories of families that have come for the first time after many months of struggling with little food and no support. Please could you ensure this message

reaches anyone in our community who may not know we are here to support you. With every blessing and much love and prayers. The DBC Team

Well done to Mrs Neale!

Mrs Neale took part in a step challenge last October and raised £496 for SANDS, the leading stillbirth and neonatal death charity in the UK.

You can find out more information on SANDS or make a donation here: <https://www.sands.org.uk/get-involved/donate-sands>

If you would like to appear in next week's DASH, send your photos to the [admin address](#), with DASH as the title

This is what some of our children have been up to this week:

Nirav has been busy completing a 300 piece dinosaur puzzle he got for Christmas!

Here is Amelia with her lovely thank you cards that she made.

Harry sent us this lovely photo of him doing his daily exercise on his bike.

Isabelle added her coding robot obstacle course to her circuit training session.

Mia and Max have been keeping fit doing PE together.

Brodie has been working hard and enjoying climbing trees on his walks.

Emme has learnt a new skill - how to sew the buttons back on her school cardigan!

I looked deep into the devils eyes
 I saw death himself yes death himself
 His hands as cold as ice
 He clawed me in.

It was creepy cruel cold
 A place no human knows
 Or ever has been told
 There's no one there

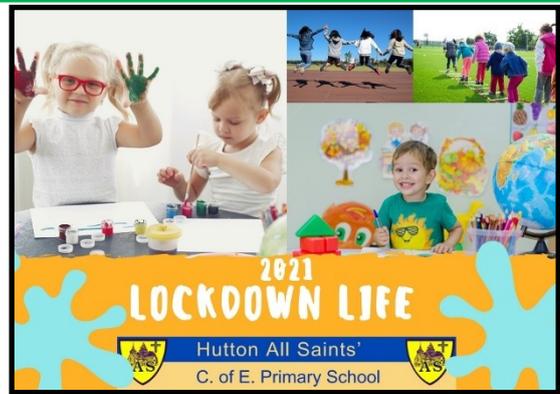

He showed me his face no human has ever seen
 You only see his shadow
 As no one knows where he has been
 He disappears

Skin as white as bone
 Fingers cold as ice
 As you hear him start to moan
 Blood curdling sounds

As I slowly start to run
 I hear him laugh out loud
 To him this is fun
 I'm terrified

As he gets closer
 Will I ever escape
 As my hope gets lower
 Am I done forever

By Emily, Year 6 (English home work set this week)

In Year 6 we have been studying the Stone Age. The lesson this week looked at stone age paintings. Holly recreated one at home using pastels.

Happy Pongal 2021!

“This weekend is a festival called ‘Pongal’. It is a multi-day harvest festival in South India, particularly in the Tamil community, to offer our thanks to the Sun God for his generosity. We make rice pudding as an offering to Sun God. Today, we started a street art called Kolam. Generally, girls learn this from a young age. It teaches geometry, symmetry and mathematics through art. It needs a bucket load of patience!”
Annika

Shri and Kavin have also been celebrating Pongal this week. Wow - we love your colourful Kolam art Annika and Shri!

Happy Pongal to any of our families who are celebrating this weekend.
