School Calendar

2021

January - February

Monday 4th January - 12th February

On Monday, the Prime Minister announced a national lockdown in order to reduce the spread of COVID-19.

The new restrictions mean that our school will remain open only for the children of critical workers and vulnerable children to attend on site. All other pupils and students will receive remote education until February half term and must remain at home, in line with national guidance.

We need to ensure that the number of children accessing the offer of provision in school is kept to the **lowest number possible**. Therefore, even if you are a critical worker, if your child(ren) can remain at home rather than attend school, on some or all days, then they should. Please **only** use the offer of provision when it is **crucial for you to undertake your critical role**.

Dear Children and Families,

I have loved seeing the photos that you have sent in - you have been doing all sorts of interesting things! I was really impressed with the Book Buddies that Cherry Class showed me on their Zoom call yesterday; there is a link to the instructions on the back page, and some more fab examples of Lime Class' finished Book Buddies.

Your teachers are telling me that many of you are sending in your work more regularly to them, so well done and keep it up! Remember that you should be able to have a go at most of your work without help from an adult at home - if you get in a pickle, you can always message your teacher on It's Learning.

Stay safe, happy and helpful! Love from Miss Penkett x

If you would like to appear in next week's DASH, send your photos to the [admin address](#), with DASH as the title

In art, year 6 were set the challenge to draw in perspective.

They had to watch a video that showed them step-by-step how to master this, and then draw the scene from their bedroom window. It was certainly a tricky task.

Well done Celia - this is a great picture!

Lime class made book buddies for art this week. They then showed off their hard work on their daily zoom catch up. Well done Lime class - they all look so wonderful.!

It was a fun task that the whole family could join in with - here is Isabella and her younger sister Amelia, and Nathan and Isabelle with their book buddies.

Here is the link if you would like to try one at home:
