"I Can Do All Things Through Christ  
Who Strengthens Me" Philippians 4:13

Commitment to excellence within a caring, Christian environment

### Thoughts and Prayers

This week our prayers and thoughts are with **all of our school children**.

Some of them had their first day back after a very long break, and they all came in school full of smiles and enthusiasm! Others had to watch as their siblings and friends returned, while school remained closed to them for the time being. We pray for their patience while they wait for their turn. And we also pray for those who have been coming in throughout, while their parents and carers work on the front line.

Dear Parents/Carers and Pupils,

After an extremely long break, we were able to welcome back pupils from EYFS, Year 1 and Year 6 this week. It was lovely to hear the sound of lots of children laughing and playing in the sunshine! I am very proud of the children, who all came in smiling and happy, and took to the new routines brilliantly. We look forward to welcoming them for an extra day from next week. Well done also to their parents, who may have been anxious about their return to school, and who ensured the children had everything they needed for their first day back. I would particularly like to thank all the staff who worked extremely hard to make sure everything was ready.

I would also like to share some exciting personal news with you - Jasper will become a big brother later this year! Ray, Jasper and I are very excited about welcoming a new addition to the Manookian family.

I hope you all have a lovely weekend, despite the change in weather.

Mrs. J. Manookian

### Max's May Marathon

Max's family are very proud of him this week. He completed his May marathon last Saturday, having run a total of 42.22kms throughout the month.

So far, he has raised a fantastic £600 for Alzheimer's Society.

Well done Max!

If anyone would like to contribute, here is the link:

**Pictures from Home** Thank you for all the lovely photos you have been sending in - we love seeing what the children have been up to.

If you have a photo you'd like included, please email it to [admin@huttonallsaints.essex.sch.uk](mailto:admin@huttonallsaints.essex.sch.uk) with DASH as the title. Please note, the photos may not appear until the following week's newsletter.

Phoebe has been out with her horse over half term.

Isabelle has been having fun with art and science experiments.

Happy birthday to Mrs Neale!

She had a lovely birthday with her family, with an afternoon tea and 80s disco at home, and a long walk around Hylands Park.

Henry enjoyed making a rainbow of mini beasts for his topic this week.

Sophie and Emily have been having fun with their pet dog, and exercising in the sunshine.

Ruth and Esther have been having lots of fun at home during lockdown; Millie has been helping to paint the fence in the garden; and Delilah and Reilly have been doing Joe Wicks at home - this was fancy dress Friday!

## Pictures from Home

Bobby and Ellie enjoyed a social distanced water fight over their garden fence!

Mini beasts have been the topic in infants this week - Amelia has been very excited to see her butterflies emerging (she has Elsa, Anna, Aerial and Rapunzel and is now waiting on Belle!) and will soon release them in her garden, and Luke has been watching his baby stick insect grow over the last two months.

## PTA UPDATE

PTA funds are used for many essential items each school year, from curriculum resources to new IT equipment, and we have been lucky enough in recent years to have fantastic PTA teams who have raised phenomenal amounts. This year, due to the coronavirus outbreak, we are sadly losing a whole term of fundraising. The current PTA team are hard at work thinking of alternative ways to raise funds - watch this space for further news.

In the meantime, we would like to say a *HUGE* thank you to the following parents, who have chosen to make various donations to the PTA recently: Mrs Barrell chose to donate her Skreens Park deposit to the PTA; Mr Hindley chose to make a donation to the PTA via bank transfer; and Mrs Neale decided to set up a birthday fundraiser on Facebook, which was contributed to by a number of parents, including Mrs Webb, Mrs Hogan, Mrs Gosavi, Mrs Jenkins, Mrs Moore, Mrs Boopathi and Mrs Morris. Thank you all so much - your donations have raised approximately £200 for the school!!!

Thank you also to anyone who takes part in the weekly school lottery, and those who have chosen to donate winnings, and to anyone who has shopped via easyfundraising during lockdown - we recently received a payment of £70 from them! If you haven't signed up yet, here are the details: <https://www.easyfundraising.org.uk/causes/hutton-all-saints-c-of-e-primary-school-pta/> Help us raise funds whenever you shop online - without it costing you a penny!

## HUTTON PARISH FOOD - AVAILABLE DAILY FOR EVERYONE

Many of you will be aware that Hutton Parish is helping to lead the work in providing groceries and support for those affected the most by the Coronavirus outbreak. The fantastic team work incredibly hard and have mobilised an enormous team of volunteers to collect, pack, and distribute food parcels from their church building and into the surrounding communities. Their "normal" week sees them open up every morning (apart from Sundays) to give away and deliver over 360 bags of food. The bags of food are **completely free**, so if you know of anyone who might benefit, please do tell them to go to St Peter's any morning between 10am-12pm.

The team would also like to reduce the amount of fresh food wasted each day, so if you're in need of any fruit, bread or vegetables, why not pop down to the church and see what they have that day? You are welcome to take food for free, or to make a contactless contribution if you would prefer to do so. Any contributions will be used to restock the shelves with additional items for those in need. We look forward to seeing you soon! <https://www.huttonparish.com/donate> is the link for anyone wishing to donate.
