

# Autumn Term Pear Class

## Topic

We will be learning about the country of India. We will begin by looking at maps and globes and we will find India and its position in relation to the U.K.. We will find out about what life is like for children and will explore the landscape, climate and animals of India. Later in the term we will have an 'India Week' where we will learn some Indian dancing, cook Indian food and create some Indian art.

## Literacy

We will be practising forming our letters properly on lines and starting to use sounds to make short words. We will learn to write simple sentences independently with finger spaces, full stops and capital letters. The children will use 'Talk for Writing' as a means of retelling stories., using texts specific to our topic of India.

## R.E. and P.S.H.E.

In R.E. we will be looking at Christian Saints, focusing on the life and teachings of St Francis. After half term we will find out about Jesus as a storyteller.

In P.S.H.E. we will learn about how our responsibilities and skills change as we get older and, later in the term, we will think about how to treat the people around us.

## Maths

The children will be looking at counting, ordering and writing numbers. They will understand more about place value and learn number bonds to five and ten. They will also begin to work with money, time and learn the properties of 2D and 3D shapes.

## Art

We will begin to look at colour and creating texture with different materials.

## Science

This term the children will be learning about themselves by exploring their senses and the functions of their various body parts. They will also think about how humans differ and change.

## P.E.

This term the children will develop their hand-eye coordination and balance in multi skills activities. The second unit will focus on learning basic gymnastics skills, using apparatus and space to create basic sequences.
