

Commitment to Excellence within a Caring, Christian environment

Hutton All Saints' C. of E. Primary School

Accessibility Plan

Vision Statement: Under the Equality Act 2010 schools should have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that "schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation". According to the Equality Act 2010 a person has a disability if:

- He or she has a physical or mental impairment
- The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

The Accessibility Plan is listed as a statutory document of the Department for Education's guidance on statutory policies for schools. The Plan must be reviewed every three years and approved by the Governing Body. The review process can be delegated to a committee of the Governing Body, an individual or the Headteacher.

At Hutton All Saints' CE Primary School the Plan will form part of the School Improvement Plan and will be monitored by the Headteacher and evaluated by the relevant committee.

Hutton All Saints' CE Primary School supports excellence through its broad creative curriculum and Christian ethos. The environment is entirely safe and appropriate for pupils, helping them to grow in confidence and develop a sense of belonging.

The school Accessibility Plan has been drawn up based upon study of legislation, informed by staff knowledge of pupils' individual needs in conjunction with information received from placing authorities, parents, pupils and Trustees of the school. The Accessibility Plan will contribute to and advise other school planning documents. It will be reported upon annually in respect of progress and outcomes and provide a projected plan for the period ahead of the next review date. The intention is to provide a projected plan for a three year period ahead of the next review date.

The Accessibility Plan is structured to complement and support the school's Equality Objectives, and will similarly be published on the school website. It is understood that the school will be externally monitored under the Equality Act 2010 (and in particular Schedule 10 regarding Accessibility) and advice will be given upon the compliance with that duty.

Hutton All Saints' CE Primary School is committed to providing an environment that enables full access to the curriculum for all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. The school is also committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.

The Hutton All Saints' CE Primary School Accessibility Plan shows how access is to be improved for disabled pupils, staff and visitors to the school within a given timeframe and anticipating the need to make reasonable adjustments to accommodate their needs where practicable. The Accessibility Plan contains relevant and timely actions to:

- Ensure pupils with a disability have access to the curriculum, expanding the curriculum as necessary to ensure that pupils with a disability are as equally prepared for life as are the able-bodied pupils. This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural

activities or schools visits. It also covers the provision of specialist or auxiliary aids and equipment, which may assist these pupils in accessing the curriculum within a reasonable timeframe

- Improve and maintain access to the physical environment of the school, adding specialist facilities as necessary. This covers improvements to the physical environment of the school and physical aids to access education within a reasonable timeframe

- Improve the delivery of written information to pupils, staff, parents and visitors with disabilities. Examples might include hand-outs, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable timeframe.

The Hutton All Saints' CE Primary School Accessibility Plan relates to the key aspects of physical environment, curriculum and written information.

Whole school training will recognize the need to continue raising awareness for staff and governors on equality issues with reference to the Equality Act 2010.

This Accessibility Plan should be read in conjunction with the following school policies, strategies and documents:

- Teaching, Learning and Assessment Policy
- Equality Objectives
- Health & Safety Policy (including off-site safety)
- Special Educational Needs Policy
- Behaviour Management Policy
- School Improvement Plan
- Access Audit
- School Prospectus

The Accessibility Plan for physical accessibility relates to the Access Audit of the school, which remains the responsibility of the Trust. It may not be feasible to undertake all of the works during the life of this accessibility plan and therefore some items will roll forward into subsequent plans. An accessibility audit will be completed by the school prior to the end of each period covering this plan in order to inform the development of a new Accessibility Plan for the ongoing period.

Equality Impact Assessments will be undertaken as and when school policies are reviewed. The terms of reference for all Trustees' committees will include the need to consider Equality and Diversity issues as required by the Equality Act 2010.

The Accessibility Plan will be published on the school website and will be monitored by the Board of Trustees.

The school will work in partnership with the DfE, LA and other relevant external bodies in developing and implementing this Accessibility Plan.

The Accessibility Plan may be monitored by Ofsted during inspection processes in relation to Schedule 10 of the Equality Act 2010.
