

We have a busy term ahead! In our topic, we will be learning all about the continent of Africa, both from geographical and historical viewpoints. In addition to our topic, we will be spending a lot of time and effort rehearsing for our play, 'Ye-Ha!', which we will be performing near the end of term. Not only will we be acting, but we will be creating props, scenery and posters for the production.

In Music lessons, we will be learning the songs for our production, as well as continuing to develop our recorder skills.

In P.S.H.E., we will focus on ways to maintain a healthy lifestyle and improve our mental health. .

In our French lessons we will revise vocabulary learnt last term and practise shopping for food.

In P.E., we will practise our ball playing skills and learn dances for the production. We will also look at our team building skills and ways to work together to solve problems.

# AFRICA

## SPRING TERM YEAR SIX

The text types we will cover this term include information reports, explanation texts, play scripts and reviews. We will continue to improve our reading comprehension through weekly lessons and our guided reading sessions. In addition, we will continue to improve our G.P.S. knowledge.

The main area we will learn about in Science with Mrs. Whitbread is *living things & their habitats*, which we will classify according to their characteristics.

In R.E., we will explore the theme of 'Incarnation', and will move on to study 'Salvation'. We will also be thinking about our Christian Values for the term: Hope and Justice.

During our Maths sessions this term, we will be covering: algebra; ratio; converting units; perimeter, area and volume; decimals and percentages. In addition to these topics, we will carry on solving multi-step word problems. We will also continue practising the four operations, and answering SATS style questions.
