Dear Parents, Carers and Children,

We've been busy with lots of lovely lessons this week. We have all started our new topics and Spring term Curriculum. Please see our website www.huttonallsaints.co.uk for the curriculum overviews for each class.

Some of our children have been swimming for the first time, and were all fantastic. We now have four year groups going swimming, and I'm so proud of how enthusiastic, well-mannered and courageous the children have all been. Especially as some children have not been swimming at all, or for quite some time.

Parents please note: the coach arrives back at school at 2.45pm on Thursdays, and will block the road while the children alight, so please bear this in mind when you come to collect your infant child - if you are driving, you may need a few more minutes to park safely.

Miss Collins, our new infant teacher said she had a lovely time in Lime class this week. Welcome Miss Collins! Also, Mrs Corris (our new finance manager) has had her first week at our school. Well done for learning many new things Mrs Corris and helping us all!

Thank you for taking note of the new guidelines we sent last week regarding testing and isolating. Please continue to LF test twice weekly.

We look forward to school clubs starting next week! Slips have all been given out, so if your child has received one, they have a place on that club. We also have Lime class assembly on Thursday. Year 6 will be running their usual fundraising raffles - one for Lime class parents in the assembly, and one for pupils in worship next Friday.

Have a lovely weekend. **Mrs J. Manookian**

Collecting children from school

If you are collecting children from the Pear gate (year 5 and Pear) could you please wait inside our waiting area and not on the pavement. This will make it a lot easier for the teachers to release the children so they can see you clearly and it also alleviates the congestion on the pavements. Also, teachers quite often need to speak to parents and this ensures they can catch you when needed. Many thanks.

Essex County Council

Lime Class started their new topic about India this week, by taking a flight on board a virtual airplane.

Flight attendants Shri and Isabelle greeted their passengers, issued boarding passes and served the in-flight snacks. We enjoyed looking out of the windows to observe the sights of London and Mumbai during take-off and landing.

We had so much fun whilst learning the differences and similarities between the two cities.

Clubs

All club slips will have gone out by the end of today. If your child has received one, please follow the instructions for that club.

Drop off and collection points are listed in the letter we sent out with the timetable, so please make a note of any relevant ones.

Merit Awards

WELL DONE to the following student, who received her bronze merit this week:

**Annabel
(Willow Class)**

Show us you care

Louise donated 12 inches of her hair to The Little Princess Trust, a charity that makes wigs for sick children. What a lovely thing to do Louise!
