### Dear Parents, Carers and Children,

I am pleased to confirm that we are planning a wonderful topic week in a couple of weeks, with visitors to school and lots of fun activities linked to our topic curriculum. This will give the classes a week to explore their topic in more depth, and allow more time for subjects such as Art, Design and Technology and cooking activities. On the first day of the Topic week, we have booked a dance company to come in and work with each class!

If you have any clean empty kitchen rolls or toilet rolls, the juniors would like them for their design and technology activities. (Please bring them to the school office). We would also really appreciate financial support to enable us to purchase additional resources for the week, and so we have set up donations for £5 on School Gateway. If you are able to make a donation, we would be extremely grateful.

We are also looking for visitors to come into school to make our topics more engaging for the children. If you have any expertise in the following topics, and would be willing to help, please contact the school office: the People's Republic of China, Animals and their habitats, India, the Roman Empire and the continent of Africa. We thank you all in advance for your support.

Finally, well done to Beech class, who have had to go into a bubble yesterday - you have all done very well so far, and we are hoping to be out in a few days. Thank you to the whole school for continuing to test regularly in order to minimise transmission and disruption within the school community.

Have a lovely weekend. Good luck to those who are getting confirmed on Sunday. The service is at 4pm at St Peter's Church for anyone who would like to join us.

**Mrs J. Manookian**

### Good luck for Sunday!

Affirming your faith

Good luck to all those who are going to be confirmed this Sunday. Our thoughts and prayers are with you on your confirmation journey.

## Apple Class - Tiger Who Came to Tea Party

On Friday 11th February, EYFS will have their own 'Tiger who came to tea' party in the classroom during the afternoon.

Children can dress up as a cat, tiger or lion and can bring a cake, biscuit, or a packet of crisps (**no nuts or snacks containing nuts please**). Children will still have their hot lunch as normal. **Please do not feel that you need to buy a costume** - cat ears and a tail is sufficient.

You will shortly receive in the post, a party invitation that you child has written, inviting a favourite soft toy to their party. Please ensure the toy is small and not a super hero toy. Thank you.

**PTA update** Happy New Year from the PTA! We are meeting soon to discuss our **Mother's Day Pop Up Shop** in March. If you'd like to be involved, please speak to Tracey Webb, Liz Gray or Heidi Neale.

We haven't forgotten the school disco - we are monitoring Covid and guidelines, and will reschedule it in as soon as we're able. (We don't want to have to postpone a third time, so we are waiting for the right time). Thank you all for your patience and understanding.

**JANUARY SALE** - we have a few Christmas cones remaining (Reindeer - *milk chocolate & marshmallows*, and Snowman - *white chocolate & marshmallows*). We are now selling them from the school office for 50p / a donation.
