1st Last day of Spring term. Bring your Easter bonnets!

1st Easter Service at St Peter's 2.15pm. Y1 to lead; all Y1 parents are invited. Please wear a face mask and do a lateral flow test before coming in.

19th First day of Summer term - normal school hours.

Dear Parents, Carers and Children,

What a lovely week it has been, not only with the great weather, but activities around school. I was so very proud of year 6 this week, who did their first performance of 'Ye Ha' to the rest of the school - you did a great job Sycamore Class! Next week they have three more performances; if you are going to be an audience member, I ask you to cheer, clap, and laugh as loud as you can, as the children love this, and it gives them such confidence and joy to see the audience enjoying themselves.

I'm really looking forward to the Easter Service next Friday; year 1 are leading this service, and so year 1 parents are invited to attend.

I'm also very much looking forward to seeing your Easter Bonnets for our Parade next Friday. Also, the children will all spend a bit of time with their reading partner so if the children wish to exchange Easter gifts, this can be done next Friday.

I'm not sure about the weather next week, but can I ask that all children come to school with a school cap and a water bottle. The sun has been quite strong this week and therefore the caps are good for protecting the children's faces.

Thank you to everyone for attending the parent consultations this week. It has been wonderful to work with you, hear your positive comments and discuss our pupils with their families.

I wish you a lovely weekend and look forward to an exciting final week of term next week.

Mrs J. Manookian

Show us your sport

Alkinoos & Danae are very proud of their new swimming badges - Stanley 2 & Stanley 3. Ayaan received his orange belt last week - he can't wait to become a black belt one day! He's working hard remembering all the rules and skills to progress quickly. Phoenix has had two sporting achievements this week - she received her Level 10 advanced A.S.A swimming certificate *and* won 3rd place at her trampoline competition in Colchester! Penny has also received certificates for swimming and trampolining this week, and Theo received a certificate for swimming. Ted passed his first grading at Kazen Kai this weekend and received his red belt. WELL DONE everyone!

As part of learning about Light, children in Year 6 have been investigating how reflection occurs. This topic is one of the most challenging in secondary school, so Mrs Whitbread thought it was important to address any misconceptions children may have come across, and also introduce the basics of the Year 7 Light curriculum. *"I now understand that angle of incidence equals to the angle of reflection"* Louise. *"I have measured the angles, and they are the same"* Aihum

Willow class had a Chemistry lesson, and tried dissolving different substances and looking at their solubility. They also recapped identifying different variables, and sharpened their measuring techniques.

(Could Y5's bring 1 cereal box (medium or large) to the Science lesson w/c 28/03 please).

PTA Update

Thank you again to the Mother's Day team who came and sold gifts last week.

The whole school appreciates the effort the PTA makes to raise money for the school.

Thank you also to Mrs Gotman and Mrs Gray who came to sell refreshments for our Y5&6 parents this morning, and raised £41!

Thank you also to Mrs Poole, who has picked up all the refreshments to sell at the Production shows next week, and to the team of Y6 and PTA volunteers who will be selling them to raise money for Y6 end of year treats.

Outdoor Education

Year 5 and Y6 have been enjoying Outdoor Education lessons with Mr Howard this term. The lessons are designed to help the children develop team building skills, self-confidence, trust and independence, through problem solving and survival scenarios. We invited parents to take part in our final lesson of the term, to see how their children learn - and for the children to see how adults cope with the tasks, to show them that everybody can find things challenging! Part of the session involved parents taking a back seat and watching the children learn, before getting involved themselves, and seeing things from the children's perspective.

Apple Class - Library visit

This week Apple class visited Shenfield Library. They listened to stories, learned how to find books and how to use the electronic scanner. In groups, the children also had to find non-fiction books related to a given topic. The group with the most books were the winner. We felt very sorry for the lady in the library who had to place all the books back onto the correct shelves. We had a wonderful time, and hope that we can visit again soon.

Bring your bonnets in on 1st April for the parade!

Easter Themed Homework

This week, everybody in school has the same homework - to design an Easter bonnet for our Easter Parade.

There are no strict rules apart from the following:

- your hat needs to be homemade by you
- your hat should celebrate Easter

Pretty simple really! We will have our parade on Friday 1st April. The PTA have kindly offered to buy prizes for the best milliner from each class. Have fun!

Merits

WELL DONE to the following children who received their bronze merit this week:

Isabella (Beech)

BRENTWOOD'S CONCERT FOR UKRAINE

featuring
Brentwood Imperial Youth Band

Fundraising for British Red Cross DEC Ukraine Crisis Appeal

BritishRedCross

Saturday 26 March 6:45pm

Doodle Update

Top Doodlers: Well done to Apple class for coming top for Doodle maths, and to Beech class for coming top in Doodle English and Spell

TOP DOODLERS!

Well done to these pupils, who were in the 'Green Zone' in Doodle Maths, Doodle English and Doodle Spell when Mrs Nott checked on Thursday lunchtime. What an achievement!

Pear: **Cameron**

Lime: **Iris**

Beech: **Eva, Ayomide, Mia, Jasmine, Isabella, Beckett, Isabelle B**

Pine: **Natasha, Marnie, Wyatt**

Willow: **Alexander, Izzy, Isla**

Sycamore: **Max, Zoe, Ava, Henry, Arthur, Eva W**

TOP DOODLING CLASSES!

These classes have the highest percentage of children in the 'Green Zone' -

Doodle Maths: **Apple Class**

Doodle English: **Beech Class**

Doodle Spell: **Beech Class**

GREAT WORK ON DOODLE MATHS, APPLE CLASS!

Well done to these children, who have worked particularly hard:

Matilda, Thomas, Esme, Olivia, Kit, Amelia, Sienna, Yannis, Luca, Abdaal, Alexa.

The Doodle Spring Challenge

Between the 1st and 30th of April, Doodle are running two exciting Spring Challenges — the DoodleMaths Challenge and DoodleEnglish Challenge!

Both Challenges are designed to encourage a few minutes of daily Doodling, helping to boost your child's confidence and spark their love of learning.

Best of all, they can earn a FREE pin badge and certificate by taking part!

Ye-Ha!

All Y6 children need to be in school at 6pm for the evening performances. Junior choirs in Y4/5 need to arrive at 6.40pm on their day (see below). As part of the performance, we would like the Year 3, 4 and 5 children to wear non-uniform. Please could they wear **jeans, leggings or tracksuit bottoms with a checked shirt or coloured t-shirt** (their school PE t-shirt will be fine). These are needed on the following dates:

- Tuesday 29th March - 9.30am start (Year 3)
- Wednesday 30th March - 7pm start (Year 4)
- Thursday 31st March - 7pm start (Year 5)

Please bring some change to the productions, as Y6 parents have arranged a lovely raffle, and the PTA will be selling refreshments. Please wear face coverings walking to and from your seat, and do a lateral flow test prior to coming.
