### Dear Parents, Carers and Children,

I'm really looking forward to topic week next week! I'm delighted to tell you that we have lots of fun activities planned, including a dance class based on each classes current topic! Therefore we **need all children to come in PE kits on Monday** please. (Y3&4 will still be going swimming). Please remember to bring your swimming kits.

Thank you so much to all the parents who have contributed £5 towards the costs - this is really very much appreciated. If you are able to contribute, the payment is still on School Gateway.

The PTA are launching a fund'RAISIN' event over half term to help raise money for our new outdoor play equipment - look out for the email from them with all the details.

I can't believe we only have one week left of this term - it really has flown by. Have a lovely weekend.

**Mrs J. Manookian**

### Show us your sport

Congratulations to Mia, who successfully passed her green belt karate grading at the weekend.

## Chinese New Year - Sun nin fai lok!

To celebrate Chinese New Year, Mrs Gracia-Thomas made a Chinese stir-fry for the children in Apple class to taste. Even the children who weren't sure tried it - well done Apple class! They are studying China for their topic, and are exploring different customs and traditions in China. They will also be listening to stories and

tales about Dragons, and will discuss how people lived 'a long time ago'.

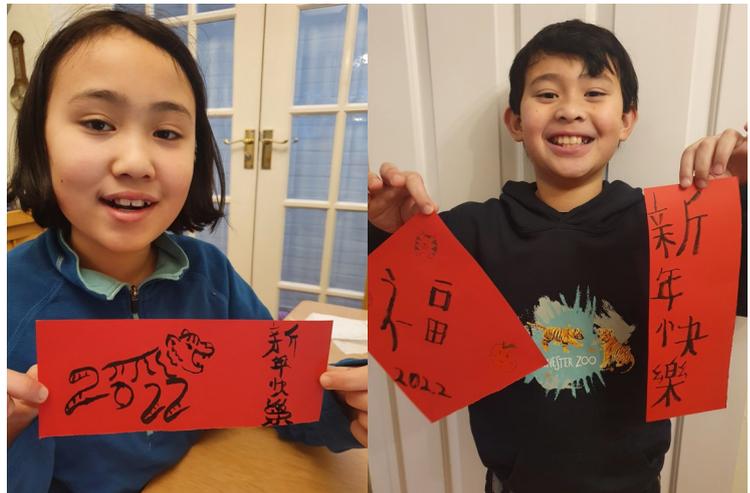

exciting!

On Monday, they will be learning a Chinese dance. How

Some of our families were also celebrating at home. William and Louise did some Chinese calligraphy and wrote out "Happy New Year" and "Blessings" in Chinese - "Sun nin fai lok" and "Fu". They wanted to let us know that the year 2022 is the year of the tiger, and as it is based on the lunar calendar, the tiger comes every 12 years. The last tiger years were 2010, 1998, 1986, 1974, 1962, 1950, and people born in the year of the tiger are often considered brave, wise and strong.

They both wish a "Happy Chinese Tiger year to you!"

## Brentwood School Sport Partnership - Year 4 Football Tournament

On Tuesday 1st February, eight year 4 boys took part in the BSSP Football Tournament at Old Brentwood's Sports Club. This event was held to give children from across the district a chance to represent their schools, with the aim of encouraging the children to enjoy sport for the pleasure of it, especially after the long-enforced break of the past two years.

We found ourselves drawn in a group alongside Ingrave Johnstone, St. Peter's A and St. Thomas' schools. In our first game against Ingrave Johnstone, we got off to a brilliant start, and found ourselves camped in the opposition's half for most of the game. Alby and Ralph both tested the keeper early on, but the ball just wouldn't go in. We were very unlucky to then give Ingrave the lead through their only effort of the game. Our second game saw us play St. Peter's, and again we had the

earliest chances to score. However, St. Peter's were a very strong side, and despite some great work by everyone to defend, we lost 5-0. Our final group game saw us go down 4-0 to St. Thomas', who were equally as strong as St. Peter's, (we also lost Alby and Prayan to injury for a few minutes, although fortunately they were able to come back and continue to help their team mates!)

We may not have won, but the boys played every game with determination, and enjoyed the occasion. Myself and Mr Byles were very impressed with the sportsmanship and willingness to play in any position from all of the boys, and they should be very proud of how they represented the school.

*Squad: Philip, Prayan, Anay, Alby, Ralph (Capt), Reilly, Nathan and Joshua.*

## Science in Year 6

As part of their topic on "**Living things and their habitats**" Sycamore class are investigating Microorganisms. (*Microorganisms are very tiny living things. They are so small that you need a microscope to see them!*) The children are using a number of variables to examine how mould behaves in different environments. Let's see what happens with the slices of bread on Monday!
