### Dear Parents, Carers and Children,

It was so lovely to see Neil Kirby from the [Red Rubber Ball Foundation](#) this week! He came for our whole school worship, and told us about our partner school, The Good News Academy, in Kenya. He showed us pictures of their school and how different it is to ours. It very much reminded us of how grateful we are for all the resources in our school. The money that we collect from World Book Day will be sent to them so that they can buy resources, such as books, pencils, and other learning equipment. Neil also told us about the meal they eat every day - ugali (a type of stiff maize flour porridge). It made us think about the wonderful school lunches we have, and the variety of food we have access to. So far we have raised £200!

If you are yet to bring in a donation, but would like to, please do so by the end of next week. We will all be writing letters in school for Neil to take with him to Kenya.

Please keep an eye out next week for a letter regarding Parents' Evening at the end of this month. Have a lovely weekend.

## Show us your sport

Nicole passed the Region Grades Level 4 in Rhythmic Gymnastics Competition recently. She won 3 medals (2 bronze, 1 gold and a Cup). Her parents are very proud!

Josh won a gold medal for Combat and a bronze for Kata at the Kazen Kai Junior Karate Competition on 26th Feb. He's very proud of himself!

Wow! Well done to both of you!

## Photos - next Wednesday

Following feedback from parents, we are trying a new photo company. They will be coming in to take individual photos in the classrooms next Wednesday, 9th March. Full details will be sent out on Monday, but in the meantime, please ensure your child is dressed smartly.

**Merits** WELL DONE to the following children who received their bronze merit this week:

**Rhiannon (Sycamore)**  
**Albie (Pine)**

## Science Corner

Children in **Willow** class are currently studying *Properties of Materials* in science, and will be making slime next Tuesday (8th March). Could you please provide your child with either apron or an old t-shirt that they can wear over their school uniform.

As part of their current topic: *Animals - Including Humans*, children in **Beech** class enjoyed investigating how the length of a femur can affect the length of the jump. Independent, dependent, and control variables were introduced, which enabled them to draw accurate conclusions.

# World Book Day 2022

The children - and staff - all had a brilliant day yesterday celebrating World Book Day. We hope they told you all about it! It was so wonderful hearing all about the children's favourite books.

## Football

On Sunday 27th February, some of the children from our girls' football club went to watch Chelmsford City Women play in a league cup game against Harlow side, Frontiers Ladies.

The children were invited to act as ball girls during the game and also got to meet and greet the players beforehand.

Everyone had a great time as Mr Horne's team won 4-1 and went through to the next round. The Chelmsford players were very impressed with our children and can't wait to see them at more games in the future.

Hopefully, seeing women playing football has inspired the girls to continue working hard at football club and they might take up the game outside of school too.

**Prayers** Our thoughts and prayers are with anyone affected by the current events happening in Ukraine and Russia.

We are also praying for Mrs Gracia-Thomas following her operation.
