FOR PUPILS

Dear Parents, Carers and Children,

Happy new year! I really hope you had a wonderful Christmas break. You are all certainly looking refreshed and a big well done for coming back to school looking smart and having the right equipment.

This term's value is Hope, and we will be discussing what this means in class and our worship times. What are your **hopes** for this new year? We have been discussing new year's resolutions and I have heard some great ones, so I **hope** you work hard and that we can support you where possible to achieve your goals.

Each week, myself and my merit team come round to the classes, and give merits to children who have been working particularly hard on the theme of the week.

Here are the themes for this term:

I am super excited that year 6 will be starting to rehearse their play - I wonder what it will be?

A warm welcome to our new staff: Miss Trigg - teaching in Cherry Class, and Mrs Collins. They said they have thoroughly enjoyed their first week at our school! Mrs Corris - our new finance manager - will be starting on Monday.

Miss Trigg

Thank you for a great start to the new term everyone.

Parents and Carers, please see the next page for new guidance on covid testing and isolating.

Mrs J. Manookian

Testing and Isolation Guidance

- ◆ Please continue to do twice weekly lateral flow tests.
- ◆ Does your child have symptoms - new cough, loss of taste or smell or a high temperature? Please keep them at home and get a PCR test. Remember - symptoms require a PCR, lateral flows are to be used when you don't have any symptoms.
- ◆ If your child has a positive lateral flow during your regular testing, they must stay at home. The new guidance states (from Tuesday 11th) they do not need to get a PCR test, but they do need to start isolation. On day 6 of isolation you can administer another LF test. On day 7 (must be 24 hours apart) you can administer another LF test. If both these LF tests are negative, isolation can end, and children can return the next day. The first day of symptoms or your positive test date is Day 0.
- ◆ You need to report a positive LF test: <https://www.gov.uk/report-covid19-result>
- All visitors to school must administer a LF test the night before or morning of their visit.
- Staff will continue also to do twice weekly LF testing.
- If you receive an email stating your child may have been a close contact of a positive case (i.e. someone in their class has tested positive) please then do daily LF tests for 7 consecutive days. They can still come to school as long as the test results are negative.
- If a member of your household has tested positive we advise all household members to LF test daily and be extra vigilant and aware of symptoms. Also, we ask that pupils who have positive cases in their household attend class only, and not before/after school clubs, to reduce mixing with other year groups.

Any queries then please ask us. Thank you for your vigilance and support to help us keep our children in school and as safe as possible.

A PARKING REMINDER

PLEASE DO NOT PARK ON THE DOUBLE YELLOW LINES AROUND OUR SCHOOL.

They are often places where the children and families cross and also cause obstruction to the traffic flow.

Lots of our year 6 children walk home on their own, so the area around our school should be as safe as it can be!

Reminders for the new year

- When it is your PE day, please remember you still need to wear the school PE uniform – blue/navy joggers or shorts, yellow t-shirt with the school logo and school blue sweatshirt or the school tracksuit. Please also remember no earrings are to be worn on PE/swimming days.
- Please name clothes and water bottles as much as possible.
- Remember to bring your own small bottle of hand gel.
- Hair that touches the shoulders to be tied back. Some children's fringes get in their eyes, which makes it quite difficult for them to see, particularly during PE sessions, so please provide clips if this is the case.
- Keep a copy of the school dinners you have ordered up at home so you know what you have ordered. Monday to Thursday - healthy eating days. Chocolate/crisps and treats can be in packed lunches on Fridays only, which is school dinner cake day also.
- Please read DASH every week so you don't miss important information.
- Juniors, remember you can bring in a piece of fruit or vegetable for morning break time.

Doodle Update

TOP DOODLING CLASSES!

These classes have the highest percentage of children in the 'Green Zone' -

Doodle Maths: **Apple Class**
Doodle English: **Beech Class**
Doodle Spell: **Cherry and Sycamore Class**

Congratulations to Apple, Beech, Cherry and Sycamore, who have started the year as our top doodling classes!

TOP CHRISTMAS DOODLERS!

Well done to these pupils, who earned the highest number of stars over the Christmas holidays!

Maths

Olivia, Thomas, Esme, Matilda and Amelia (Apple); Cameron (Pear); Anton and Myra (Cherry); Eva (Beech); Natasha (Pine); Max and Zoe (Sycamore).

English

Cameron (Pear); Myra (Cherry); Eva, Ayaan, and Bella (Beech); Natasha (Pine); Alexander (Willow); Max, Zoe, Aaron and Phoenix (Sycamore).

...the 'Green Zone' in Doodle Maths, Doodle English and Doodle Spell when Mrs Nott checked on Wednesday lunchtime. What an achievement!

Pear: **Cameron**

Cherry: **Elijah, Anton**

Lime: **Reuben**

Beech: **Eva, Bella, Grant, Eloise**

Pine: **Natasha, Wyatt, Abu-Bakar, Myrto**

Willow: **Alexander**

Sycamore: **Max, Zoe, Arthur, Phoenix**

GREAT WORK ON DOODLE MATHS, APPLE CLASS!

Well done to these children, who have worked particularly hard:

Sienna, Matilda, Thomas, Esme, Olivia, Kit, Alkinoos, Aiden, Amelia, Nishv, Vihaan, Danae, Autumn, Ioannis, Edward, Jacob.

MAKE IT YOUR NEW YEAR'S RESOLUTION TO KEEP IN THE GREEN ZONE!

Important: A syncing glitch has affected some student accounts over the holidays so their stars and streaks did not match the work they completed. We have now released a fix: please ask students to log in, complete an activity and collect stars, which should reset their accounts and add on their missing stars and streaks. We will reinstate any missing stars and streaks if this doesn't work, please get in touch with details (use the green chat icon or email your School Success Advisor). **!**

SCIENCE CORNER

Before Christmas, Mrs Whitbread ran a science competition for homework in the juniors. WELL DONE to our winners: Phoenix and Rhiannon in Year 6, Farley in Year 5 and Philip in Year 4!

Willow class completed their last lesson on Space in science this week. They investigated Phases of the Moon by dissecting Oreos. *(We hope they got to eat them afterwards!)*

Show us your sport

Well done to all our children who have been busy with their hobbies recently. Molly won her end of term golf competition, and was player of the year. Penny came first in her group for the Recoil trampolining club championships. Marnie and Myrto took a ballet exam before Christmas. They get their results soon and hope to move up to Grade 1. Nicole competed in the Prima Cup rhythmic gymnastics competition (250 girls took part), and came 1st in her age group for her skipping rope routine. She started doing gymnastics when she was 4 years old, and

does it 9-12 hours a week. Isabelle's latest swimming achievements were the STAnley 4 Award and 10m badge. **WELL DONE girls!**

Club request forms due back Monday

Please remember to bring back your club request forms by **9am on Monday**, as spaces will be allocated then. Your child will receive a slip and any relevant instructions by next Friday.
