PGL

Year 4 and 5 children had an absolutely fantastic weekend on the PGL residential trip. Everyone dealt with the heat really well. We received lots of positive comments regarding the children's behaviour and attitude. All children challenged themselves over the course of the weekend, and showed great support for each other throughout the activities. Thank you to all the staff who helped out during the trip and for all your hard work. All photos have been put on Google Classroom, below is just a snapshot of their time there.

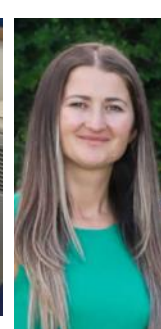

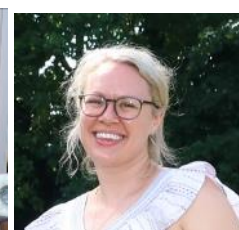

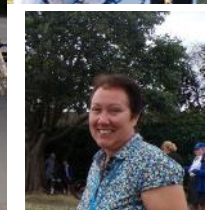

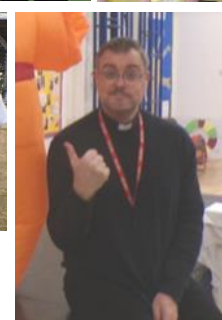

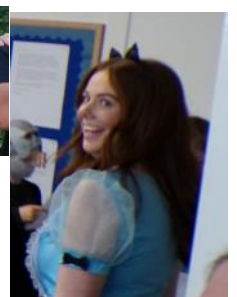

Talent Show

Well done to all the children who took part in the talent show on Thursday. You were all incredible, and so brave for standing in front of the whole school to perform.

THANK YOU!

A big thank you to this lot of wonderful people who have helped us all in many ways!

Show us your hobbies!

Congratulations to the following children for their recent achievements:

Isabella (Apple) has been awarded her Level 2 rosette from gymnastics.

Theodore (Apple) has been awarded his 10 metres swimming certificate.

LJ (Lime) has passed his swimming test and is now moving up to the next level.

Alkinoos (Beech) has received his sixth badge for gymnastics.

Well done everyone!

Message from Hutton Parish Youth Church

I wanted to say what a pleasure it has been over the past term to get to know some of the year 6 students from Hutton All Saints'. They have all represented the school well by showing kindness and inclusion but above all, their manners have been impeccable!

I would like to make a special mention of Eloise, Clara, Jasmine, Joe and Grant who have come every week and always ask us how we are and are always helpful with clearing up.

To be able to continue this provision we are looking at hosting some fundraisers over the next few months starting next week with a *Family Fun Morning* on Thursday. This is not exclusive to year 6 students but for the whole family to enjoy!

I pray that all students and staff have a blessed school holidays and I look forward to working with you in the September term with other youth provision for the community.

Sarah Robbshaw, Youth Minister - Hutton Parish

Your child is invited to sign up for this year's **Summer Reading Challenge**. Sign up for FREE at your local library!

What is the Summer Reading Challenge? The Summer Reading Challenge encourages children to keep reading during the school summer holidays – and to enjoy reading anything they like! All children are invited to read books and/or complete reading-related activities, and collect rewards. It's completely FREE to take part. It is an amazing way to boost children's confidence – last year 72% of children taking part felt more confident **reading**.

Why should my child sign up?

- They will be better prepared to return to school in the autumn.
- The Challenge supports the move into a new year group.
- Becoming more independent in their reading boosts children's confidence and self-esteem.
- The library provides free access to books and fun family activities all through the summer.
- Library staff are on hand to offer support and book recommendations.

How can my child take part? (Library OR online)

In the library. Visit your local library and sign up. Your child will:

- Aim to borrow and read six books (any combination of books, eBooks and audiobooks) and/or complete a range of reading-related activities.
- Receive a Challenge folder and collect special stickers and rewards for reading.

If you can't get to the library, take part in the **Online challenge** at: summerreadingchallenge.org.uk

The Essex Fire Museum is open every Tuesday and Thursday over the school holiday. We don't have enough volunteers to run family fun days each week (with different stands and activities) but families are welcome to attend and have a look at the artefacts we have on site. This might suit some people who prefer a quieter environment. Entrance to the museum is always free but we would still like people to message us before coming, just so we can keep the main station informed of numbers. Our contact is: museum@essex-fire.gov.uk

Below is the poem read today by Sophie during the leaver's service:

We waved them down to Apple class. How could we know it would go so fast?

Legs little and uniform big. Teddy bears' picnic and the farm trip.

Quick as a flash Year 1 had begun. How could we know what was to come?

We started off well with parent lunch and Christmas play but then came Jo Wicks and happy birthday.

Year 2, top of the infants, and a bubble they're in. Nothing is normal but we're glad to begin.

Then back into lockdown and some work online but the school staff are in taking risks teaching mine.

Year 3, Beech class, and they're all off to swimming, the start of the juniors this is just the beginning.

With a trip to the Gurdwara and Egyptian Day fun, with residential at Skreens park what a team they've become.

Year 4, Pine Class, PGL here we go and lots of auditions for the next talent show.

Then a Tudor assembly and topic week fun. They're still busy learning with lots more to come.

Year 5, Willow class, and it's now trips galore. Neasdon, PGL, Duxford and more.

The British museum and Hutton View too, teaching them life skills not all the schools do.

Then the end of primary, Sycamore class. It's completely flown by and they've had such a blast.

With Year 6 production and France residential, they've done so much more than just the essential.

Focus on learning not just on SATS. They've had a great time, we're all sure of that.

From Sports day to panto, work share to lunch. From summer concert to assembly we've all done a bunch.

We've watched them grow older and wiser we tell. Now they're off on their journey, we all wish them well.

But they'll take All Saints with them in their hearts and their care. What you have taught them will follow them there.

So, thank you to all the great staff and their jobs. The difference you've made will never be lost.

You've impacted their lives in more ways you can credit, what comes next will be a result of your effort.
