**Dear Parents and Carers,**

It's been a lovely week in school. Thank you so much to Sycamore class and Apple class for the wonderful Harvest Service that they led today. If you have a child in Apple or Sycamore class and have given us your Google account details, we will be sending the video out today. If you don't receive it, please speak to the school office. Please remember that this is for parents only, and must not be shared.

Don't forget to return your data collection sheets asap, if you haven't already sent them in.

Have a lovely weekend.

Mrs J Manookian

### Harvest Service

Thank you to Apple and Sycamore class who led our Harvest Worship today. Apple class were videoed in class, and sang "1,2,3 Little Acorns" very well, and Sycamore led the worship from St. Peter's. They sang the "Harvest Samba", read prayers and talked about harvest and the Christian Aid charity. We hope the parents of each of these classes

enjoy seeing the video we have made to share with you. All children are bringing home an order of service for you to see. Thank you to any parents who have returned the Christian Aid envelopes with a donation. Here are Sycamore class at the church today.

## PTA Christmas Card Project

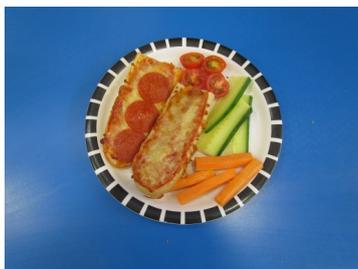

Don't forget the deadline for returning the artwork is **Monday 12th October 2020**. It works a little differently this year, so you need to order **before** you give the forms back, as your child's unique code is on their order form. Cards and gifts will only be provided to anyone who places an order.

Prices start at £2.50 for a set of 16 adhesive gift labels with your child's name and design on them, and go up to £20 for a bumper pack (2 packs of 12 cards, 2 packs of 16 gift labels, and 2 x A1 sheets of wrapping paper). In addition to having your child's own design on, you will also be helping us raise funds for the school!

We've loved seeing all of the designs that have come in so far! Can you spot your design in our lovely selection here?

## Infant School Lunches

The favourite meals this week have been the butcher's best large pork sausage, with Yorkshire pudding, mashed potato and peas, and our homemade pizza baguettes. Did you know, all infants are entitled to a **free** hot school lunch each day?

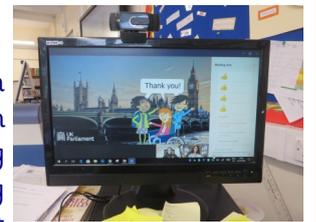

Everything is made freshly in school each day by our catering team, using high quality ingredients from local suppliers, such as Barlylands Farm for our vegetables, and Oliver's Butchers for all of our meat. If your infant child has been having packed lunches recently, why not give our school dinners a try! We find the children try new foods when sat with their friends, and quite often "fussy" eaters will try a wider selection of foods.

## Y6 - Applications for Secondary School Places

Please remember that if your child is currently in year 6, you need to apply for their senior school place by **31st October 2020**. <https://www.essex.gov.uk/apply-for-a-secondary-school-place>

### Year 6 Parliamentary Workshop

On Monday, Year 6 took part in a live online workshop arranged by the education department of the UK Parliament, as part of our Personal, Social and Health Education topic on Rights, Roles and Responsibilities. Sophie and Juliehta presented an interesting session about democracy and the British Parliament. As we are not able to have visiting speakers in school or to go out on educational visits at the moment, it was a great opportunity to experience learning in a different way.

"I enjoyed PSHE on Monday because Sophie and her friend talked to us about the Houses of Parliament. My favourite part was when we did a quiz and learned about laws. We guessed some laws by looking at pictures. I understood that you had to be 18 to vote. There are two rooms, the House of Commons and the House of Lords. I can't wait until I'm 18 and I can vote." *Sofia, Y6*

### Well done to Zoe and Aaron!

"On Sunday I went to the Nuclear Mud Run. I had to run 3km on a muddy track with ditches and obstacles. I came 15th out of 109 and second out of 44 girls. My favourite part of the race was a

slide that went into a deep muddy ditch! It was cold, wet and muddy, but I can't wait to go again". *Zoe, Y5*

Aaron in Y5 also wanted to share that he sailed through his kick boxing grading recently, and gained his yellow belt with no advisories.

### Well done Evie!

"Last Friday I went to Shenfield school for the Mid-Essex girl's football trials. This is for all girls from Brentwood, Ingatestone, Maldon and the surrounding areas. It was raining really hard and we all got soaked, but we played three small games. My team won 2-0, then drew 2-2 and 0-0.

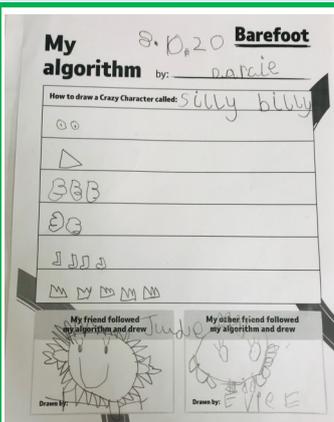

On Sunday we got an email to say I had got into the team, and we will play against other areas. I also got in the team last year, but we only played a few games because of lockdown. Hopefully, this year we will play some more! Our first friendly is against the Shenfield school team, which has Freya (my sister) on it, and some of the team from last year's district team". *Evie, Y6*

### Pear class

This week Pear class created amazing silly character algorithms and de-bugged them to improve them.

Wow!

### Parent's Evening

More information on this will follow next week, but we can confirm that it will be via phone this year, with 10 minute slots being made over two separate evenings for juniors and another two for infants.

Please remember that **school closes around midday on Friday 6th November**. Details will follow on how to collect your child while following social distancing guidelines.
