Dear Parents and Carers,

It's been another busy week in school - we've had topic week activities, apple class work-share, bikeability, the school disco, friendship worship, outdoor education, clubs, and not forgetting all the regular lessons!

I hope you all have a lovely relaxing break, and I look forward to seeing everyone at the usual time on Monday 24th February.

Mr Hall will sadly be leaving us on Friday 28th February. If you'd like to leave a card or donation, please do drop it into the school office.

Mrs Manookian

Apple Class

Well done Apple class for making such wonderful Junk Model cats for their homework this week. They have clearly worked very hard, and came up with such wonderful ideas! We hope you enjoy your *Tiger Who Came to Tea* party today.

Sycamore class all had a lovely excursion on Tuesday to watch St. Martin's production of *Sister Act*. They thought it was very funny and they loved the songs!

Friendship Worship

The whole school took part in a friendship worship this morning, with each class making a contribution to the theme:

Apple class gave us a lovely rendition of a song called "Jesus is my Friend"; **Pear** class made friendship hearts, with quotes about what they like about their friends; **Cherry** class told the story of Jesus healing the paralysed man; **Lime** class wrote their own poem "A recipe for Friendship"; **Beech** class treated us to a friendship dance they had choreographed; **Pine** class showed us the friendship bands and bracelets they had made with messages to their friends; **Willow** class sang "With a Little Help From My Friends" beautifully; and **Sycamore** class gave us a little sneak preview of their forthcoming production by singing the "Hero" song, to demonstrate their topic: Support Your Friends.

Year 6 Production

Year 6 have had fun painting their scenery this week for their production next month. Juniors to attend both nights, wearing coloured t-shirts and jeans.

Please check your inbox later today for details on how you can order tickets!

Hot school lunches - Juniors

Polite reminder - all payments for the first half of this term should have now been paid. **Please check School Gateway to see if you have any outstanding payments.** Payments for the second half of this term are due at the end of February.

World Book Day 2020 Remember to get your outfits ready for Wednesday 4th March. We can't wait to see what the children come as this year!

Fit tag equipment will be available to children again after half term - we will send a letter out with full details on Monday 24th.

Piano Vacancy

We have a vacancy for one student next term.

If your child would like to learn piano, please call Janet on 07875 507 841.

Letters sent home this week:

Whole school - Chicken pox and Corona virus information

Juniors - Production tickets

Y5 - Outdoor Education feedback

Y4 - Bikeability reschedule

Topic Week

The children have all been enjoying various fun activities this week, all linked to their current topic. Here are a selection of photos from each class this week. Pear class have done activities linked to the Fire of London, and Beech and Pine have made Roman shields and crowns, and learnt about Roman numerals in maths. In cookery, Willow and Sycamore made couscous salads for their theme of Africa, as couscous is very common in North African food. They discovered that on it's own, couscous is quite boring, so the children used knife skills to add ingredients such as peppers, olives, coriander (which was interesting!), carrots, tomatoes and pomegranate. All of the children tried foods that were new to them and really enjoyed their creations! Lime class drew some amazing pictures of London!

School Disco

Thank you to the PTA team and school staff who ran the friendship disco on Wednesday evening. It was our busiest to date, with 164 children putting on their party outfits and coming to enjoy a dance with their friends. Everyone was incredibly well behaved, and we saw some fancy footwork in the dance competitions! On top of this, we managed to raise £700 for the school! Well done for everyone, in particular Mrs Webb, who project manages our school discos.

Musical Communications

Every Friday afternoon, some of our children enjoy a musical communication session with Mrs Spearman and Mrs Woolley.

As you can see from their smiles, they thoroughly enjoy this fun song and dance session!

Thank you to the parents who have already donated books for our reading spine. We have about half of the books we are looking for. If anyone is able to donate any more, we would be very grateful. Please speak to the school office to see which titles we need.

Year 4 Bikeability

Well done to our Year 4s who achieved their Level 1 Bikeability this afternoon.
