Commitment to excellence within a caring, Christian environment

### Thoughts and

### Prayers

This week our prayers and thoughts are with the Ball family.  
We are wishing you strength at this difficult time.

Amen

Dear Parents/Carers and Pupils,

We've sent a lot of information home this week, so please do make sure you check your emails regularly for anything from school, and make sure you reply, if requested, by the set date.

I hope all the children's are excited about the new classes they will be in from September, all being well. Check your emails next week for a chance to meet your new teacher and say goodbye to your old teacher (adhering to social distancing guidelines) before the end of term.

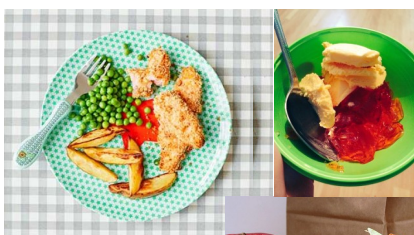

Wishing you all a lovely weekend.

Mrs. J. Manookian

### **School Dinners**

From next week we will be introducing a hot meal for the infants on Mondays and Thursdays. This will be fish fingers, homemade chips and peas, followed by jelly and ice cream - yum! (Vegetarian alternative will be veggie fingers). Tuesdays and Fridays will then be a healthy packed lunch, with a choice of ham, cheese or tuna on brown bread, with salad vegetables, followed by fruit and yoghurt.

### **THANK YOU from the Goodnews Academy!**

The children in Kenya, who study at the Goodnews Academy, have been equally disrupted by the COVID-19 pandemic, with their school closing on 15th March 2020. This has meant that, like here, children have been studying from home. However, the families in Kibera, Kenya have been particularly hard hit, and many children are having to study from home without light, without PCs, and without access to download materials via the internet. Many families have also struggled to access food, as work has been very hard to come by.

However, thanks to the funds Hutton All Saints' raised on World Book Day this year (from your £1 donations), the school has been able to buy study materials for the children while they're at home, such as revision books or photocopies of materials.

Neil Kirby, who runs the scheme, said: "This has come as an **amazing** gift in the circumstances, and has allowed the Goodnews Academy to continue the children's education at the most difficult time anyone can remember. Thank you!"

The library Summer Reading Challenge is taking place online this year. Sign your child up, and join the Silly Squad!

There are games, activities, puzzles, and, if your child has run out of books to read at home, there are also plenty of links to online books you can borrow for free! <https://summerreadingchallenge.org.uk/>

Austin entered an online competition with his puppy and won not only his Class (Child's Best Fur-iend!), but also "Best In Show".

Here they are with their rosettes, along with the 'Tuggy-lead' prize that they won!

As part of his topic work on Australia, Aaron helped make some Anzac biscuits.

He used a recipe from his Australian cousins.

They look great Aaron - I bet they didn't last long!

Max has started fishing with his Dad and has even encouraged Isabelle to have a go! Max caught this impressive fish; he's hoping to catch an even bigger one next time!

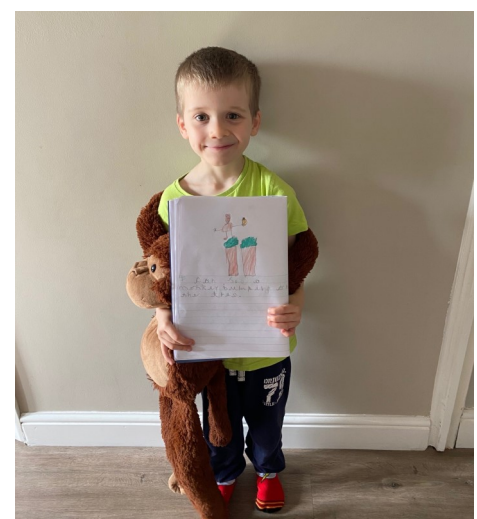

Wyatt and Elijah have been enjoying fresh air and a history lesson at Weald Place this week.

Louise and William have enjoyed learning about Australia for topic this week - here they are with a picture of a Koala, and a boomerang and a bullroarer. They also painted these stones Aboriginal style - Louise painted a turtle and William did a coloured traditional pattern.

Henry was very proud of the sentence he wrote for creative writing this week.

Eliza decorated a stone with Aboriginal style art, which she copied from a didgeridoo! Isabelle has learnt to ride a bike during lockdown, and Celia & Tjaart made this fantastic puppet show stand and some puppets, which say sock friends on them in Afrikaans.

## PTA FATHER'S DAY GIFTS

Thank you so much to Mrs Tracey Webb, who ran the Father's Day gift shop, and hand delivered most of the gifts. Thank you also to the parents (and staff!) who supported the school by purchasing a set.

For those buying last minute gifts this weekend, you can still help us raise much needed funds (without any additional expense to you!) through shopping online via easyfundraising - there's even a donation reminder you can download to help you remember to donate while you shop!

### Donations

For the parents asking about making a one-off donation to the PTA, you are able to do so here (you can choose to hide your name or the amount donated, if you prefer to do so):

**HAPPY FATHER'S DAY TO ALL THE DADS, STEP DADS, GRANDADS  
UNCLES, BROTHERS, OR ANYONE ELSE YOU WOULD LIKE TO SAY  
THANK YOU TO THIS SUNDAY!**

## HUTTON PARISH FOOD - AVAILABLE DAILY FOR EVERYONE

Many of you will be aware that Hutton Parish is helping to lead the work in providing groceries and support for those affected the most by the Coronavirus outbreak. The fantastic team work incredibly hard and have mobilised an enormous team of volunteers to collect, pack, and distribute food parcels from their church building and into the surrounding communities. Their "normal" week sees them open up every morning (apart from Sundays) to give away and deliver over 360 bags of food. The bags of food are **completely free**, so if you know of anyone who might benefit, please do tell them to go to St Peter's any morning between 10am-12pm.

The team would also like to reduce the amount of fresh food wasted each day, so if you're in need of any fruit, bread or vegetables, why not pop down to the church and see what they have that day? You are welcome to take food for free, or to make a contactless contribution if you would prefer to do so. Any contributions will be used to restock the shelves with additional items for those in need. We look forward to seeing you soon!
