

In Talk for writing, we will continue to improve handwriting, grammar and punctuation through writing a range of text types which includes letters, recounts, stories and information texts. RWI schemes will be continuing for some children to work on phonic strategies and reading. During this time the rest of the class will work on comprehension skills and spelling strategies learned during the year.

In Science for the first half term, we will be learning about how we can look after plants and help them to grow healthily. In the second half term, we will be learning about living things and their habitats.

In Maths, we will be looking at fractions, including $\frac{1}{2}$, $\frac{1}{4}$, $\frac{3}{4}$ and $\frac{1}{3}$. We will tell the time to within 5 minutes and collect data using tally charts, block diagrams and pictograms. We will use the language of position and revisit calculation skills.

In Topic this term, the children will be learning about their local area. Including some mapwork skills and looking at aerial views of our community.

In DT, we will be looking at mechanisms and how they can be used in story books to make pictures move.

In Music, will learn about the inter-related dimensions of music, exploring dynamics, timbre, tempo and pitch through the topic of Dinosaurs and the planet Jupiter.

In Computing, we are learning about digital music and composing a short musical piece. In the second half term we will revisit the rules on staying safe online.

Our school value this half term, is **Wisdom**, and next half term it is **Responsibility**.

In RE, we will be looking at 'How Christians belong to their faith family.' and 'Why is light an important symbol for many religious believers.'

In PSHE, the children will look at their health and wellbeing, from knowing their bodies to health and safety risks in the home and on the roads. They will also look at friendships, tackling areas such as feeling lonely, bullying and kindness.

Please wear your PE kits with no jewellery, on these days.

On **Mondays**, Lime class will take part in swimming lessons throughout the entire term.

This half term, Lime class will take part in Athletics Skills on **Tuesdays**. However after half term, this session will move to Fridays, for Striking and fielding skills.
