

English

This term, we will be focusing on writing descriptive settings, using our topic knowledge to write our own. We will be reading and creating our own play scripts and writing letters to our favourite authors.

Maths

This term in maths we will be learning about:

- Multiplication and division
- Measures
- Fractions
- Decimals

Science

This term we will learn about sound. We will identify how sounds are made and recognise that vibrations travel through a medium to our ear. We will then be looking at electricity and understanding what a conductor is through many practical experiments.

R.E. and PSHE

In our R.E. lessons we will continue to explore what sacrifice means to different religions. We will also ask ourselves 'Why do Christians call the day Jesus died 'good Friday'?'. We will especially look into this question near the Easter period. In PSHE we will be looking at how our words and actions can affect others and then our digital footprints and how we should be careful. Our values this term are **hope** and **justice**.

Topic

We will be learning about the Tudors this term and looking at the following key questions:

- Who were the Tudors?
- When did they live?
- Who were the Tudor Royals?
- What were Tudor homes and buildings like?
- What was life like for people in Tudor times?

We have a trip to the Tower of London on the 10th February as part of our Topic Week.

chillemartin.com

Music

In music we will be looking at rhythmic composition. We will take inspiration from poetry and art.

P.E.

We will be improving our basketball, athletics, teamwork and fundamental skills. We will be looking at key skills in each of these units and understanding how they might benefit us in other sports

French

In French we will be learning how to identify members of a family, how to pronounce the French alphabet and to describe household items.

Computing

In computing, we will be learning how to make a mock podcast by recording audio on a computer. Later in the term we will look at databases and understand how they are made and used.
